5 VICE CHAIRPERSON BELL: Good afternoon.

6 I'm going to call the meeting to order. I am your

7 Vice Chair, Willie Bell, and I will chair. Lisa

8 Carter is running a little bit late, but she should be

9 in attendance shortly, but we're going to move.

10 I'm going to ask our Chief Investigator,

11 Pamela Davis-Drake, if she would come forth and do the

12 invocation that we would be blessed, and thank you.

13 MS. DAVIS-DRAKE: Thank you, sir. Let us

14 bow our heads.

15 Father God, in the name of Jesus, we thank

16 you, Lord, for this day that you have made. We will

17 rejoice and be glad in it. We thank you, oh, God, for

18 this time to come before you, oh, God, to serve the

19 people of Detroit, the citizens, oh, God, and the

20 police department. We ask, oh, God, that you continue

21 to bless and keep each and every member, watch over,

22 keep and protect them, create a hedge of protection

23 around about them. Give the board guidance,

24 leadership and direction and all the thank due today,

25 oh, God. Every decision that is made, allow it to be

1 according to your kingdom building establishment. And
2 we will be careful to give you the praise, the honor
3 and the glory in your name, above all other names, the
4 mighty and precious name of Jesus we pray. Amen.

5 AUDIENCE: Amen.

6 VICE CHAIRPERSON BELL: Thank you, Chief.

7 At this time, we're going to ask our board

9 please.

12 SECRETARY ANTHONY: Mr. Chair, you have a
13 quorum.

14 VICE CHAIRPERSON BELL: Thank you, sir.

15 At this time, I'd like to introduce, he
16 need no introduction, but I think he's still in the
17 rank of Deputy Chief, Dave LeValley.

18 That's your rank?

19 DEPUTY CHIEF LEVALLEY: Thank you. That's
20 my rank.

21 VICE CHAIRPERSON BELL: Thank you, sir.
22 Thank you for attending for Chief Craig.

23 Mr. Anthony, would you introduce the staff,
24 please.

25 SECRETARY ANTHONY: Thank you, sir. We

1 have seated in front Ms. Pamela Davis-Drake, our Chief
2 Investigator. Also, Ms. Linda Bernard, our attorney
3 to that board. Mr. Robert Brown is off. Our
4 recorders for the day is Sergeant Alan Quinn in the
5 back and Ms. Sheila Rice from Hanson Court Reporting
6 Service.

7 That completes the introduction.

8 VICE CHAIRPERSON BELL: Thank you, sir.

9 At this time, the next order of business
10 would be approval of the agenda for Thursday,
11 September the 24th. The Chair will entertain a
12 motion.

13 COMMISSIONER MALLETT: So moved.

14 COMMISSIONER MOORE: Support.

15 VICE CHAIRPERSON BELL: It's been properly
16 moved and supported and ready for discussion.

17 Those in favor, aye?

18 COMMISSIONERS: Aye.

19 VICE CHAIRPERSON BELL: Those opposed?

20 Motion carried. Thank you.

21 The next item of business would be minutes
22 from Thursday, September the 7th, 2015. The Chair
23 will entertain a motion.

24 COMMISSIONER MALLETT: Move approval.

25 COMMISSIONER DEWAELSCHÉ: Support.

1 VICE CHAIRPERSON BELL: It's been properly
2 moved and supported.

3 Discussion? Those in favor, aye?

4 COMMISSIONERS: Aye.

5 VICE CHAIRPERSON BELL: Those opposed?
6 Motion carried.

7 The next item of business would be the
8 Chairperson report. And I'm pretty sure she probably
9 would be reporting out on her arrival, but I do have a
10 report. You have a written copy of that report from
11 Linda Bernard who covered the forum on September the
12 22nd at Pleasant Grove Missionary Baptist Church, "We
13 Are One." And it outlined Commissioner -- the Chair
14 was there, Lisa Carter, Vice Chair Willie Bell,
15 Commissioner Betty Brooks, Commissioner Ricardo Moore
16 and Commissioner Richard Shelby and staff, Pamela
17 Davis-Drake, Linda Bernard and other OCI staff,
18 including Anthony Cromwell -- I didn't get all their
19 names, but I would like to get their names to send a
20 thank you. That was great in terms of their
21 scheduling and come out to that particular forum.

22 And the pastor of the church, Dr. Louis
23 Forsythe, gave -- he was the moderator for the forum
24 and opened with a prayer. And from there I gave a
25 outline briefly on the 21st century. And Council

1 Member Pro Tem George Cushingberry spoke to the issue
2 of our efforts to be reinstated. It was postponed
3 from this week to next week on the 29th at 10 a.m.
4 The Council would go forward with the resolution.

5 I personally talked to Councilwoman Mary
6 Sheffield and who is a sponsor of that resolution.
7 Her staff person was there, too. I don't know if we
8 have their name. I'm moving down the line, but
9 basically have a written report, and gives all the
10 individuals that was involved. But we -- the staff
11 person --

12 Was that Blackwell?

13 MS. BERNARD: Yes.

14 VICE CHAIRPERSON BELL: Blackwell gave a
15 outline of the resolution that they are sponsoring at
16 that particular forum also.

17 And our former Police Commissioner, Wendell
18 Byrd, who's the sponsor of the member of the Detroit
19 Caucus of the House of Representatives, you have that
20 resolution before you that was signed by all the
21 Detroit delegation. We are very, very thankful. And
22 he was in attendance to share the resolution, to
23 outline their concern. And Attorney Linda Bernard, at
24 the request of Wendell Byrd, read the resolution, did
25 a great job. And Commissioner -- Chairperson Carter

1 spoke and gave greetings and thanked the community for
2 their support.

3 So basically it was well attended. Over a
4 hundred people attended, 75 to a hundred. And, as you
5 well know, the same night the council were holding
6 their council community meeting in District 4, in my
7 district, in Wayne County Community College. And a
8 whole lot of people wanted to be in attendance that we
9 had committed to come. I can understand that. When
10 the council meet, and all of them there, there's a lot
11 of issues that they are facing in the community, and
12 there was an opportunity for the people to come out.
13 And I'm pretty sure it's well attended, and I should
14 hopefully get a report in terms of some of the people
15 from the Ninth and the Fifth Precinct and other
16 community groups that were scheduled to be there to
17 witness that event and to have attended in the past.

18 So that is briefly the Chairperson report.
19 I'm pretty sure she would probably have some other
20 remarks in reference to reporting out to you.

21 At this time, I'd like to move to the
22 second item on the officer report would be OCI report.
23 If Chief Investigator Pamela Davis-Drake would come
24 forward, and thank you.

25 MS. DAVIS-DRAKE: Thank you, Mr. Chair.

1 For the record, Pamela Davis-Drake, Chief
2 Investigator.

3 The citizen complaints, the report for June
4 2015 -- I'm sorry. I'm reading you the wrong report.
5 Sorry about that. August 2015 is as follows:

6 There were 115 complaints received as
7 opposed to last year at the same time, 106 reports
8 were received, which is an eight-percent increase.
9 Year to date at the end of August 2015 the Office of
10 the Chief Investigator had 222 open cases, cases filed
11 758, and 728 cases were closed. Of the 115 cases
12 filed in August, 26 percent involved unknown officers.
13 The alleged known units involved the following:

14 Twelfth Precinct 12 percent, Eighth
15 Precinct eight percent, Seventh and Eleventh Precincts
16 six percent.

17 The 115 cases filed in August 2015 involved
18 192 allegations where the leading areas of concern
19 were 31 percent procedure, 26 percent demeanor,
20 service at 15 percent and force at nine percent.

21 A hundred and ten cases were closed in
22 August and involved 192 allegations. The findings
23 were as follows:

24 Forty percent were not sustained, 20
25 percent were exonerated, 19 percent were unfounded and

1 11 percent were sustained. And of the above, the
2 leading areas of concern were as follows:

3 Procedures 41 percent, demeanor 32 percent,
4 service 11 percent, and force was at six percent.

5 As of today, we have 214 cases that are
6 currently open. Twenty-two cases have been submitted
7 for either supervisor or chief investigator approval
8 and review, and no cases are over 90 days.

9 Just a quick move update. The move remains
10 on hold. I will certainly keep the board abreast of
11 any changes or any new developments.

12 Our staffing update. We are down one
13 investigator -- actually, two investigators. We were
14 looking for an investigator probably about three
15 months ago and did some interviewing. We decided to
16 put that on hold, because we had two promotions that
17 needed to go forth, and we needed to make sure that
18 there was ample budgetary dollars to cover those. But
19 we do have one additional now vacancy. It is an
20 investigator. He has decided to go home and be with
21 his children. So we do have one vacancy. I will be
22 calling on the board probably within the next week or
23 so to set up scheduling for those interviews.

24 The position that was originally held by
25 Cynthia Brown-Curry, she is the former office manager

1 assistant with OCI, is now vacated. Ms. Brown has
2 been on medical since September of 2013. Her medical
3 has now expired after two years, and we are able to
4 fill that vacancy. So we hope to do so prior to the
5 move.

6 And in answer to your question,
7 Commissioner Bell, for the forum the two investigators
8 that were there was LaShonda Neely and Gionna Turner,
9 and they enjoyed it greatly.

10 VICE CHAIRPERSON BELL: Thank you.

11 MS. DAVIS-DRAKE: It was a wonderful,
12 wonderful evening.

13 And that concludes my report.

14 VICE CHAIRPERSON BELL: Commissioners, any
15 questions or concerns?

16 COMMISSIONER CRAWFORD: Yes, sir, through
17 the Chair. The 11 percent that were sustained, have
18 you gotten any information from the department,
19 Internal Affairs, the commander --

20 MS. DAVIS-DRAKE: Yes.

21 COMMISSIONER CRAWFORD: -- as to the report
22 as to what the stats are?

23 MS. DAVIS-DRAKE: Yes. Actually, sir,
24 we're working on it. I spoke with Commander Sims
25 yesterday. I spoke with a member of her staff this

1 morning. I sent them some documentation that they
2 needed. And she probably -- it's probably sitting in
3 my in box now, even as we speak. But what we've
4 decided to do is provide a Excel spreadsheet type
5 report to the board once a month, and it will
6 highlight all of the sustained cases, give you case
7 numbers and so forth. And it will also give you the
8 disciplinary action or corrective action that was
9 taken.

10 COMMISSIONER CRAWFORD: Okay.

11 MS. DAVIS-DRAKE: So we should have that,
12 I'm hoping in it's in my box now, at the latest
13 probably tomorrow morning. As soon as I get it, I
14 will send it to Mr. Anthony and the board.

15 COMMISSIONER CRAWFORD: Yes, ma'am. Thank
16 you. And also to -- perhaps at a later time and date
17 I'll probably -- I may want to talk with the commander
18 about getting us the information as to -- from January
19 of this year up to current as to what complaints were
20 sustained and if there was any type of action taken,
21 be it retraining or discipline, et cetera.

22 MS. DAVIS-DRAKE: Okay. I will be happy to
23 pass that information on when I speak with her, as I
24 said, probably tomorrow morning.

25 COMMISSIONER CRAWFORD: Yes.

1 MS. DAVIS-DRAKE: Yes, sir.

2 COMMISSIONER CRAWFORD: And there was one
3 other issue, too.

4 MS. DAVIS-DRAKE: Sure.

5 COMMISSIONER CRAWFORD: The last -- I guess
6 it was last month's reporting, there was one complaint
7 that was late 30 days or something like that.

8 MS. DAVIS-DRAKE: It was over 90 days.

9 COMMISSIONER CRAWFORD: Over 90 days.

10 MS. DAVIS-DRAKE: Yes. At the time I think
11 it was about I think it was 27 days over. And it was
12 -- and it's justified. We had --

13 COMMISSIONER CRAWFORD: So it was no
14 discipline action --

15 MS. DAVIS-DRAKE: No, no.

16 COMMISSIONER CRAWFORD: -- in terms of
17 personnel over there?

18 MS. DAVIS-DRAKE: None whatsoever. I
19 extended it, because there were officers that needed
20 to be Garrity. And I believe I informed the board at
21 that time that we had one officer -- or one
22 investigator that was out due to illness.

23 COMMISSIONER CRAWFORD: Yes.

24 MS. DAVIS-DRAKE: And that we were picking
25 up his caseload, and we realized after interviewing

1 some of the officers that there needed to be a couple
2 more that we were trying to get. We would have gotten
3 them much earlier, but the officers were on furlough.
4 One was on vacation, the other was on sick leave. And
5 we finally did get them, and the case is now closed
6 out. And actually, the supervisor handled the matter
7 and did an excellent job with the case. So, no, no
8 disciplinary action was given out.

9 COMMISSIONER CRAWFORD: Yes, ma'am. All
10 right. Thank you very much.

11 MS. DAVIS-DRAKE: Thank you, sir.

12 VICE CHAIRPERSON BELL: Any other questions
13 or comments of the chief investigator?

14 If not, thank you.

15 MS. DAVIS-DRAKE: Thank you.

16 VICE CHAIRPERSON BELL: Appreciate it.

17 Before we leave item number 8, I just want
18 to -- just in case the Chair is running extremely
19 late, you have a organization chart that a issue was
20 raised last week. And the Chair looked at it and she
21 had Attorney Linda Bernard have some dialogue with the
22 Chief's staff. And that's a work in progress in
23 reference to the organization chart. She was not
24 satisfied in terms of what you see on item number --
25 chart number 1 that we was extremely to the left of

1 it, of the organization chart. There's been some
2 discussion, dialogue I think with Assistant Chief
3 White who presented it, and there's supposed to be
4 some more dialogue with Chief Craig at the opportunity
5 that he has a chance to review it and address our
6 concerns or entertain the issues that we're dealing
7 with. But these are the copies that you have. I
8 think Commissioner Moore requested --

9 Is that correct?

10 COMMISSIONER MOORE: Yes.

11 VICE CHAIRPERSON BELL: You raised that
12 issue, and we wanted to make sure that we addressed
13 any issues that the commissioners might have.

14 So you have this document here in terms of
15 outlining that, and it's ongoing, as I mentioned,
16 ongoing dialogue in reference to the organization
17 chart.

18 Okay. Any questions -- I forgot anything
19 -- I was reporting out any questions or concerns at
20 this time before we move on?

21 If not, the next item would be Deputy Chief
22 LeValley.

23 DEPUTY CHIEF LEVALLEY: Yes, sir. Thank
24 you.

25 I'll start with an update on violent crime,

1 where we are year to date. This is as of midnight
2 last night.

3 Criminal homicides were at 217, and that's
4 one below last year. Aggravated assaults, 7,018.
5 That's a 143, or two percent above last year.
6 Nonfatal shootings, 813. That's 19 above last year,
7 or two percent. Robberies were at 2,284, which is 489
8 less than last year for an 18-percent drop. And
9 carjackings are at 397. That's seven less than last
10 year, two percent.

11 Some information, we have a recruit class
12 that's starting Monday. There will be 25 new hires
13 starting the police academy.

14 Some movement in the command or executive
15 staff -- actually, Deputy Chief Hall and Captain
16 Tosqui both start the FBI National Academy next week,
17 and that's about a three-month training session with a
18 stay in Quantico, Virginia. So they won't be back
19 until after the first of the year.

20 My new position is neighborhood policing
21 so -- since Deputy Chief Hall will be gone for three
22 months. Actually, my position is neighborhood
23 policing west and she's now east, but I'll be covering
24 the whole city while she's gone.

25 Captain Darren Szilagy, he's moved to the

1 Third Precinct. He was the chief duty officer at
2 night. So he'll be taking that post in Captain
3 Tosqui's place.

4 Captain Eric Decker is now the officer in
5 charge of the Ninth Precinct. And Captain Cox has
6 been moved to Cease Fire. And Cease Fire still in
7 Nine to Five. So Captain Cox is actually still
8 working that area, but Eric Decker is the officer in
9 charge. That's it for the movement.

10 A couple of things to report. We just had
11 one of our first big case closures from the rape kit
12 project. There is a case that a warrant that was
13 signed for nine criminal sexual assaults that dated
14 back to 1997 on one individual. So that's good
15 closure there.

16 We had a couple of other closures. That
17 Crazy Horse Lounge on Michigan Avenue, the homicide,
18 that case is now closed and the suspect's in custody
19 and confessed.

20 We had a double shooting the other night on
21 Fairmount, and that was a gang-related shooting that
22 was closed in probably 12 hours. Gang Intelligence --
23 Sergeant Brannock who was here a couple weeks ago, he
24 and his officers identified the suspect, tracked him
25 down, found the vehicle, made the arrest. So he's in

1 custody.

2 That's all I have for my report right here,
3 and I will now turn over to Don Hollins.

4 VICE CHAIRPERSON BELL: We're going to
5 pause for one second.

6 Commissioners, do you have any questions or
7 concerns in reference to the Deputy Chief's report?

8 COMMISSIONER MOORE: Yes, sir, through the
9 Chair, just a couple quick questions.

10 Last week we heard about Officer Robbins
11 being injured. How is he doing now?

12 DEPUTY CHIEF LEVALLEY: I don't have his
13 condition.

14 COMMISSIONER MOORE: It was a motorcycle --

15 DEPUTY CHIEF LEVALLEY: Yeah. That was the
16 motorcade?

17 COMMISSIONER MOORE: Right.

18 DEPUTY CHIEF LEVALLEY: The Vice President?

19 COMMISSIONER MOORE: Right.

20 DEPUTY CHIEF LEVALLEY: I believe he has
21 been released. He's fine. I know the Vice President
22 called him, talked to him, but I can confirm that.

23 COMMISSIONER MOORE: Okay.

24 DEPUTY CHIEF LEVALLEY: Yeah.

25 COMMISSIONER MOORE: And do we know what

1 caused the accident?

2 DEPUTY CHIEF LEVALLEY: I think he said
3 something about the tar in the lanes, where he's
4 changing lanes or tar in the middle of -- you know,
5 they fill the crack in --

6 COMMISSIONER MOORE: Right.

7 DEPUTY CHIEF LEVALLEY: -- the lane with
8 tar. He might have hit that. I know they move those
9 motorcades pretty fast. My understanding is that 25
10 percent of them nationwide they have a bike go down.
11 Kind of dangerous, but ...

12 COMMISSIONER MOORE: When you stated in
13 your report criminal homicides, how many different
14 categories of homicide are there?

15 DEPUTY CHIEF LEVALLEY: The reason I
16 describe them as criminal homicides because, you know,
17 homicide can be any taking of one person's life by
18 another, but so basically they're criminal and
19 justified. So there are more homicides than that, but
20 every time the prosecutor rules one justified then
21 it's no longer reported as criminal.

22 COMMISSIONER MOORE: So we have criminal
23 homicides, justified homicides?

24 DEPUTY CHIEF LEVALLEY: Right.

25 COMMISSIONER MOORE: Vehicular?

1 DEPUTY CHIEF LEVALLEY: Well, if a
2 vehicular death is ruled somebody's criminally
3 responsible for it, that's a homicide.

4 COMMISSIONER MOORE: And my final question
5 is did we have these different categories
6 approximately 20, 25 years ago?

7 DEPUTY CHIEF LEVALLEY: Yes.

8 COMMISSIONER MOORE: Okay. Thank you.

9 COMMISSIONER CRAWFORD: Yes, through the
10 Chair. As a follow-up on what Commissioner Moore
11 asked in terms of Officer Robbins, after last week's
12 board meeting I went by Detroit Receiving and talked
13 to the officer. He was in good spirits, and it appears
14 he's going to be okay. Also, too, I met his wife and
15 his daughter and also talked with some of the other
16 officers that worked that unit, the motor unit.

17 So, to be frankly truthful, there were some
18 concerns about the equipment, the outdated equipment.
19 I don't know if the department has anything new on
20 order in the future, but I know the department knows
21 more so than I do that next year will be a year where
22 there will be a lot of motorcades or escorts due to
23 the presidential election. There will be a lot of
24 VIPs coming in here.

25 So that was a concern. And it is a real

1 concern, because I don't want to see the issue of
2 equipment go the same way as the fire department,
3 always in the media that's being -- you know, the
4 issue with some of the fires. They've been raising
5 issues in the media. I don't want to see that occur
6 with the Detroit Police Department. But I don't know
7 if there's any grant monies available or if there's
8 already something in process, but --

9 DEPUTY CHIEF LEVALLEY: I can tell you that
10 there are not plans to purchase new bikes any time
11 soon. So I don't know that the specifics of it are.
12 I'll follow up with them to find out if it's tires, if
13 it's upgrading something on the bikes, but I can tell
14 you that there are no plans to purchase new bikes in
15 the very near future. Maybe somewhere down the road,
16 but then our current fleet rollout --

17 COMMISSIONER CRAWFORD: Since 2005, 2002,
18 some of the equipment they've been riding.

19 Thank you very much, sir.

20 Oh, I'm sorry. There was one other issue,
21 too. There was an issue yesterday in the media that
22 occurred in my district, Reno and Tacoma I believe it
23 was, about some squatters and officers entering the
24 dwelling. My biggest fear is what everyone saw on FOX
25 2 News is the point of entry is how they entered that

1 dwelling with baseball bats, climbing through the
2 window. I realize it's a losing season for the
3 Tigers, but I definitely don't want to see an officer
4 lost by entering a dwelling as to what was obvious on
5 the news last night.

6 DEPUTY CHIEF LEVALLEY: Yes, I agree. I
7 saw the video myself. And not the appropriate way to
8 enter a house, not the safest way to enter a house.
9 A.C. White and I were discussing it this morning.
10 We're still gathering some information as to exactly
11 what occurred. I mean, we can see on the video what
12 occurred as far as the entry, but why they were there
13 and what actions were taken after they got there.

14 But, yes, the entry into the house is not
15 how they're trained to entered.

16 COMMISSIONER CRAWFORD: Yes, that was my
17 concern is maybe perhaps there needs to be some
18 retraining or something like that, because I heard
19 what was conveyed through the news media about the
20 citizens that were in that dwelling were in fear, but
21 my biggest fear was for the officers as to how they
22 entered that dwelling.

23 Point of fact sight here, too, it appears
24 that they were -- the officers were in their right to
25 enter that dwelling being that the dwelling is owned

1 by the City in the Land Bank. And the -- in September
2 of 2014 there was an amendment to the squatters law
3 that's on the books in the State of Michigan, so ...

4 DEPUTY CHIEF LEVALLEY: Right.

5 COMMISSIONER CRAWFORD: They were -- it
6 appears everything is okay in terms of them entering
7 or having a right to be there and perhaps taking
8 action, but it's just the --

9 DEPUTY CHIEF LEVALLEY: The method.

10 COMMISSIONER CRAWFORD: The method was
11 definitely -- in my opinion, it was unsafe.

12 DEPUTY CHIEF LEVALLEY: Correct. Thank
13 you.

14 VICE CHAIRPERSON BELL: Department Chief,
15 in reference to, once again in the news, Council Scott
16 Benson rolled out a program. So could you elaborate
17 on that program?

18 DEPUTY CHIEF LEVALLEY: I actually cannot.
19 I mean, I saw the flier myself. The -- I really
20 don't. It had to with ShotSpotters. So we do have an
21 area of the city that is equipped with ShotSpotters.
22 But what Councilman Benson is doing wasn't coordinated
23 with the police department at all.

24 VICE CHAIRPERSON BELL: Because I really
25 was curious --

1 DEPUTY CHIEF LEVALLEY: I know he had
2 Detroit police on there, but --

3 VICE CHAIRPERSON BELL: Yeah, because we
4 made inquiries, and I think it was like hush-hush.
5 And when I saw it on the news and I said, well, if
6 it's out there, you know, we need -- it was in your
7 district, too. They was going door to door and they
8 was tracking. So you have no idea what's happening
9 with that.

10 Commissioner Moore -- I mean Crawford. I'm
11 sorry.

12 COMMISSIONER CRAWFORD: Yes, sir. Last
13 year that issue came up. Actually, it was our
14 commission meeting that we had in the Third District.

15 VICE CHAIRPERSON BELL: Okay.

16 COMMISSIONER CRAWFORD: And at that time
17 the captain of the Ninth Precinct, Captain Cox, talked
18 about the ShotSpotter. We hadn't heard anything about
19 that, but the fact was at that time I was surprised of
20 it was in effect they were doing it at that time so --
21 and this is a year later. So I'm not surprised to
22 hear about it again, but I know for a fact and those
23 that were in attendance at that commission meeting,
24 you know, were given that information.

25 DEPUTY CHIEF LEVALLEY: Yes. You know, we

1 do have ShotSpotter, like I mentioned, in a
2 three-square mile area of the city, and it was
3 selected based on the number of gun crimes and shots
4 that we had seen over a particular period of time.
5 That's how we selected the area to put it in.

6 We do run operations in relation to that
7 technology and have had some successes and some
8 arrests and a lot of evidence and intelligence
9 gathered with regard to it.

10 But again, what Councilman Benson is doing
11 was not coordinated through the police department and
12 not something that I was necessarily excited to see
13 broadcast on the news like that, not that we're trying
14 to hide that we have it, but I didn't necessarily want
15 to put it out to everybody because it's an
16 investigative tool that we're using regularly.

17 COMMISSIONER DEWAELESCHE: I just have a
18 quick question, if I may.

19 I thought it was a pilot project and I
20 thought it was just for a very short period and we
21 were going to evaluate the results.

22 DEPUTY CHIEF LEVALLEY: So it is a pilot
23 project -- I shouldn't say pilot. It was a donation
24 from ShotSpotter for a one-year period. So we had no
25 expense involved in installing it, subscribing to it.

1 It was given to us by the owner of ShotSpotter for one
2 year, and at the end of the year we can decide if
3 it's --

4 COMMISSIONER DEWAELSCHE: Right.

5 DEPUTY CHIEF LEVALLEY: -- worth renewing,
6 expanding, or if we decide we don't want to renew it
7 at all they just turn it off.

8 COMMISSIONER DEWAELSCHE: So when does the
9 year end?

10 DEPUTY CHIEF LEVALLEY: It is coming up
11 toward the end of this year. Yeah. I don't know the
12 exact date, but it was late 2014 that we turned it on.

13 COMMISSIONER DEWAELSCHE: So then one more
14 clarification. So the ShotSpotter that Councilman
15 Benson is utilizing in his area is that the same one
16 as ours or is it a different one?

17 DEPUTY CHIEF LEVALLEY: I would imagine it
18 has to be, because there's only one in the area and it
19 was not a small project to install it. It was
20 actually, you know, quite time consuming and there's
21 quite a bit that goes into it. So I can't imagine
22 that they put another one in.

23 And I do believe it's like a sole source.
24 So there are no other companies that are doing exactly
25 what ShotSpotter is doing. So it has to be the same

1 system.

2 COMMISSIONER DEWAELESCHE: So then my final
3 question is don't we have control over it, though?

4 DEPUTY CHIEF LEVALLEY: Yes, we do, and I'm
5 not -- again, he didn't coordinate any of it with the
6 police department. So I don't know where he's getting
7 the data or the ShotSpotter information.

8 VICE CHAIRPERSON BELL: Well, Deputy Chief,
9 I would hope that, you know, the Chief's office would
10 do a follow-up if there's a breakdown in protocol and
11 you convey to us it's like confidentiality and
12 whatever that is and now he's up and running. I
13 understand he is the chair of the Public Safety
14 Committee for the Council, but he's privileged to this
15 information. And now even the bad guys know if you
16 fire shots in the area, because he's got people
17 knocking on the door, blah, blah, blah, you know.

18 So to me that's a concern. We should all
19 be concerned if there's a breakdown in protocol with
20 that process.

21 DEPUTY CHIEF LEVALLEY: We'll follow up.

22 VICE CHAIRPERSON BELL: Thank you.

23 Commissioner Shelby?

24 COMMISSIONER SHELBY: Yeah, through the
25 Chair, something totally different. Average response

1 time is 14.5 minutes?

2 DEPUTY CHIEF LEVALLEY: Yes, sir.

3 COMMISSIONER SHELBY: Is that the time the
4 call comes in to 911 until the time the car actually
5 gets to the home, the location?

6 DEPUTY CHIEF LEVALLEY: Correct. And those
7 are priority one runs. So those would be crimes in
8 progress that are assaultive in nature. So we had
9 last week -- and this is -- that covers a period from
10 Sunday through Saturday. Every week we get an average
11 response time. So last week we had 5,117 total calls,
12 1,516 of those were priority one, and that includes
13 from the time the call comes in to the officer being
14 at the scene. And it's 14.5 minutes last week. That
15 was -- I've been tracking it for two years, and that
16 was the best week we've had in two years.

17 COMMISSIONER SHELBY: 14 minutes?

18 DEPUTY CHIEF LEVALLEY: 14.5 average.

19 COMMISSIONER SHELBY: Thank you.

20 VICE CHAIRPERSON BELL: Okay. Before we
21 move on to Resource Management, I just want to
22 acknowledge Sharon Pannell and Bill Welborne and
23 Mother Bernice for their attendance on September the
24 22nd. And we appreciate your support and acknowledge
25 others. And I want to make sure that we acknowledge

1 your involvement and your PR and your support on that
2 particular evening, and thank you.

3 Yes, ma'am.

4 MS. DAVIS-DRAKE: Again, Pamela Davis-Drake
5 for the record.

6 Commissioner Bell, I just wanted to
7 acknowledge the fact that Commander Sims did provide
8 the Excel spreadsheet, the report that was requested.
9 So I'm hoping that you all will have a chance to
10 review it. If there are any questions, please let me
11 know. And I will pass the information on,
12 Commissioner Crawford, that you requested.

13 COMMISSIONER CRAWFORD: Thank you.

14 MS. DAVIS-DRAKE: Thank you.

15 VICE CHAIRPERSON BELL: Thank you.

16 At this time we'll move to Resource
17 Management.

18 MR. HOLLINS: Okay. Good afternoon.

19 COMMISSIONERS: Good afternoon.

20 MR. HOLLINS: I see some familiar faces,
21 but I'm Resource Manager, Don Hollins. I'm the
22 Detroit Police Department's resource manager.

23 I understand that you have the
24 organizational chart in front of you, but basically
25 Resource Management falls under Administrative

1 Operations, along with I guess Support Services,
2 Communications and Technology Services.

3 All right. Resource Management we're
4 basically responsible for various staff operations
5 within the Detroit Police Department. Staff
6 operations basically being background, support
7 services to the line personnel. Up under us is
8 Property Control, Facilities, Firearms, Animal Control
9 and Fleet Control. Animal Control, I don't know if
10 that -- has that been announced? This is an earlier
11 version.

12 First up, Property Control. Basically
13 Property Control, some quick facts. I'll basically be
14 giving you basically what each entity is responsible
15 for, their staffing, current staffing and a couple
16 metrics. Property Control basically handles evidence
17 and safekeeping property that comes into the custody
18 of the Detroit Police Department. It's currently
19 staffed by two sergeants, an officer and a police
20 assistant. Police assistant is a recent addition
21 basically as we transition toward clerical staff and
22 administrative operations, staff operations.

23 Last year, the metric we have here is they
24 disposed over a ton of contraband being narcotics and
25 other firearms, illegal firearms. They deposited

1 monies into the forfeiture account of approximately a
2 million and a half dollars. And this year currently
3 they're working on the tracker system in which they
4 are migrating all of our property into the tracker
5 system. They're training personnel to use that system
6 also.

7 Facilities, one that you guys might be
8 interested in. I have a -- basically Facilities is
9 responsible for the acquisition and cleaning and
10 maintenance of police department buildings. It's
11 currently staffed by a sergeant, an officer and one
12 police assistant, who is recently hired also.
13 Typically, we were operating with just a sergeant and
14 the officer, but right now we're in that transition
15 period to where we train the police assistants.

16 Last year one of our major accomplishments
17 at Facilities is that we completed the acquisition of
18 2875 West Grand Boulevard, which is right on the
19 corner of the Lodge and West Grand Boulevard. And we
20 moved all of the police entities out of 7310 Woodward.
21 This year, and this is Office of Chief Investigators,
22 were trying to complete the renovation of Merrill
23 Plaisance, which is located in Palmer Park. And we
24 intend to place the Office of the Chief Investigator
25 and police department's disciplinary administration

1 into that building.

2 COMMISSIONER MALLETT: Chairman, are we
3 going to take questions or we wait until the end?

4 VICE CHAIRPERSON BELL: I mean, you can
5 pose a question now.

6 COMMISSIONER MALLETT: So, Mr. Hollins, I
7 just wonder, I mean so there in terms of facility
8 management and all of that, that would really be one
9 of the prime opportunities --

10 MS. BERNARD: Microphone. Microphone.

11 COMMISSIONER MALLETT: I'm sorry. That
12 would be one of the prime opportunities for civilian
13 management. I'm just wondering, you've got one
14 sergeant, one police officer and one police assistant.
15 You have all these facilities. Are they supervisory
16 personnel and they have contractors working under
17 them? How is the work actually being done?

18 MR. HOLLINS: Okay. The work is actually
19 being done by General Services Department. So that
20 part of the operation has already been transferred out
21 of the police department's control -- well, not
22 control, but not facilitated. That's all we do within
23 the police department.

24 The police assistant is supposed to
25 eventually displace any officers that we have in

1 Facilities.

2 COMMISSIONER MALLETT: So these persons now
3 are supervisory personnel managing the civilian
4 contractors or civilian city personnel that are doing
5 the work?

6 MR. HOLLINS: Not supervisory. Prior to
7 9-14, I believe it was, a police assistant was
8 recently assigned. Now, this is, you know, an
9 operation where they have to be trained. Right now we
10 have an officer that's training her who previously
11 exclusively did that position. Previously it was just
12 one sergeant and one officer.

13 COMMISSIONER MALLETT: So I guess then
14 maybe -- I appreciate the information, because it was
15 not clear. So what is it that the sergeant and police
16 officer do? What is their function?

17 MR. HOLLINS: Well, the police officer at
18 Facilities is a restricted-duty police officer who
19 basically reports various needs to General Services.
20 They also -- we do have vendors that handle like fire
21 alarms that we do internally. We just call them up.
22 We have a contract, or locksmith services that
23 sometimes that GSD can't handle.

24 There are some functions that have been
25 retained by the police department. However, all of

1 the skill trades, the carpentry, the electrical, the
2 plumbing, is handled by General Services Department.
3 Any capital improvements have either been done by
4 General Services if they're below a threshold and
5 above it, the Detroit Building Authority.

6 COMMISSIONER MALLETT: And the role of the
7 sergeant?

8 MR. HOLLINS: The sergeant basically is --
9 I wasn't quite clear here. He supervises the uniform
10 store, the tow desk and Facilities.

11 COMMISSIONER MALLETT: I see, okay.

12 MR. HOLLINS: So he's not just one sergeant
13 supervising one person.

14 COMMISSIONER CRAWFORD: He or she?

15 MR. HOLLINS: Pardon?

16 COMMISSIONER CRAWFORD: I'm sorry. He or
17 she? That's all.

18 MR. HOLLINS: He, yes, in this particular
19 instance.

20 COMMISSIONER MALLETT: Yes. Thank you.

21 MR. HOLLINS: Okay. Once again, I went
22 through property, we went through Facilities. And I
23 included a picture here somewhere of the new facility.
24 As you notice, it doesn't have signs right now. We're
25 -- there were supposed to have been installed

1 yesterday. This is an old picture. Right now we're
2 waiting on the permits. And I have the funding going
3 in front of the FRC on Monday so that we can complete
4 the build-out of this facility.

5 We are transitioning out of police
6 facilities. This a police facility, but we have an
7 option to purchase it at the end of three years --
8 three and a half years. But this is the facility.
9 Third Precinct is currently housed there, along with
10 our service desk, which is ident (ph), records, gun
11 desk, liquor license.

12 COMMISSIONER SHELBY: Through the Chair,
13 how much is the lease?

14 MR. HOLLINS: I don't know. It's a
15 fraction of what we were paying prior.

16 DEPUTY CHIEF LEVALLEY: Seven hundred and
17 fifty thousand a year, for three years, a set locked
18 purchase price for our option at the end of three
19 million.

20 MR. HOLLINS: Right. We negotiated a
21 purchase price prior to signing the lease, and the
22 lease is a fraction of -- I believe we were paying
23 1.4, now it comes to me, at the other location.

24 COMMISSIONER SHELBY: Correct.

25 MR. HOLLINS: And this location is roughly

1 half the size. We weren't utilizing all of the 7310
2 space that we had leased.

3 COMMISSIONER SHELBY: So you're saying we
4 paid 750,000 for three years and then we have an
5 option to buy?

6 MR. HOLLINS: Yes.

7 DEPUTY CHIEF LEVALLEY: A year for three
8 years, correct.

9 MR. HOLLINS: And it hasn't escalated.
10 Yes.

11 Okay. Moving on. Uniform store basically
12 is operating out of Facilities. Right now we have one
13 police officer and an administrative specialist -- I'm
14 sorry. There we are. That's the police assistant
15 that I was referring to that came in on 9-14. And
16 last year the uniform store issued uniforms, leather
17 goods, body armor and other miscellaneous items to
18 four recruit classes that -- we had about 75 members
19 that actually finished. And we are currently issuing
20 replacement vests, they have a five-year cycle time,
21 to existing department members. We also handled the
22 promotions to department members and replaced any
23 damaged uniforms which existing members damaged in
24 line-of-duty actions.

25 Going forward, the department expects to

1 hire about 120 -- the department has hired 120 members
2 this year, and we're expecting somewhere in the
3 neighborhood of 200 members next year.

4 Towing desk. Once again, this falls up
5 under Facilities. Tow desk basically processes the
6 payments to the actual vendors, and they also ensure
7 that these towing companies are operating in
8 compliance with our guidelines that have been set.
9 They also handle any escalated citizen towing
10 complaints. It's staffed by one police officer part
11 time who also assists with the facilities issues.
12 Sometimes we've got one on east and one on the west.

13 And I listed the towing fees because that's
14 a common complaint. Typically any time a vehicle is
15 picked up now, minimum \$225. That's not our doing.
16 That was set by the Emergency Manager.

17 COMMISSIONER MALLETT: Chairman?

18 VICE CHAIRPERSON BELL: Yes, sir.

19 COMMISSIONER MALLETT: Those fees go to the
20 towing company, Mr. Hollins?

21 MR. HOLLINS: Well, I itemized them here.
22 The actual tow company is \$125 every time they hook up
23 a vehicle. The \$75 administration fee doesn't go to
24 the police department. That goes to the City. And
25 then there's a \$15 storage fee that goes to wherever

1 it's held.

2 Now, we hold vehicles both at our
3 centralized block over on Caniff and at private towing
4 facilities. So that it depends on the circumstances
5 of why the vehicle was brought. Abandoned, City. If
6 it's just a recovery, it's the private tow operator.

7 MS. BERNARD: Per day; right?

8 MR. HOLLINS: Per day.

9 COMMISSIONER MALLETT: Mr. Hollins, I'm
10 wondering ...

11 MR. HOLLINS: Okay. This only is when
12 police hook up a car. A private tow is a private
13 transaction between the citizen and a tow company.
14 That does not cover -- thank you. That does not cover
15 private property impounds, which is when you park your
16 car unlawfully on someone else's property. These fees
17 don't apply.

18 COMMISSIONER MALLETT: So the -- can you
19 just describe to me how the City gets its money? I
20 mean, the -- you go to the place where the car is, you
21 pay the money to get it out. Do we -- how is the
22 auditing done? How do you get your \$75?

23 MR. HOLLINS: Every abandoned vehicle is
24 towed. Every boot and tow by municipal parking is at
25 our facility.

1 COMMISSIONER MALLETT: I see.

2 MR. HOLLINS: So I think there were about
3 90,000 control numbers issued last year, and I would
4 say the bulk of those -- I can't answer that
5 precisely, but I would say the bulk that went to
6 Caniff were collected directly by city personnel. I
7 cannot speak to the \$75 and how that's being remitted
8 to the police department. I'll have to look into
9 that. I can get back to you on that.

10 COMMISSIONER MALLETT: Okay. I think,
11 Mr. Chairman, that would be important, because the --
12 part of this requires obviously some kind of auditing
13 function. It would just be good to know what that
14 was.

15 VICE CHAIRPERSON BELL: Deputy Chief, would
16 you like -- Commissioner White, do you want to
17 respond. Okay. Go ahead, sir.

18 COMMISSIONER WHITE: Just a point of
19 information, Mr. Vice Chair. I do believe the second
20 that Deputy Chief Tolliver spoke to this issue about
21 the auditing process there's some questions that
22 wasn't brought up in the past. And so maybe a
23 communication to her to refresh us on that process and
24 how we collect those fees I do believe she presented
25 to us. And it doesn't come to me mind offhand, but I

1 do recall her presenting on that issue in the past.

2 VICE CHAIRPERSON BELL: If the Deputy Chief
3 can do a follow-up, that would be helpful, let's
4 request it.

5 COMMISSIONER MALLETT: And it doesn't need
6 to be in person, Mr. Chair. I can take a copy of the
7 report that -- or the minutes actually Mr. Anthony has
8 I mean. It doesn't --

9 VICE CHAIRPERSON BELL: Okay. Thank you.
10 Continue.

11 MR. HOLLINS: Okay. Moving on, as you see,
12 most citizen complaints are handled by TCRU, which is
13 not up under us. I've listed the phone number and
14 their hours. And our tow desk basically only handles
15 deescalating complaints.

16 Firearms inventory falls up under us. It's
17 currently staffed by one sergeant and two restricted
18 officers. Basically Firearms is responsible for the
19 issuance of firearms to department members. I didn't
20 include on the slide, but they also issue handcuffs,
21 mace. They also handle the inventory of HAZMAT gear
22 for department members and crowd control supplies,
23 otherwise known as tear gas and riot batons. They
24 have that on hand.

25 This year they plan on issuing a new

1 generation sidearm to department members, and I think
2 we have about over 2,000 weapons to issue.

3 Fleet Control. Once again, Fleet Control
4 is responsible to assignment and maintenance of
5 department vehicles. We have a fleet of over 1,400
6 vehicles. That does not mean response vehicles. That
7 number is a ballpark figure. I think we have about 4-
8 to 600 response vehicles. They are currently staffed
9 by one lieutenant, one sergeant, one police officer
10 and one office assistant. They also have some
11 restricted-duty members assigned there from various
12 precincts to facilitate making sure vehicles get their
13 oil changes and stripping out police specialized gear
14 out of the vehicles once they've reached end of life.

15 Last year they added approximately a
16 hundred new replacement vehicles to the department's
17 fleet, and we have completed return of over 60 leased
18 vehicles this year. That was a sore point. I'm not
19 sure if this body. But basically we were paying
20 leases on end-of-life vehicles. So we're out of that
21 business.

22 VICE CHAIRPERSON BELL: Sir ...

23 MR. HOLLINS: I'm sorry?

24 VICE CHAIRPERSON BELL: Are we in the mix
25 anywhere as far as our fleet with OCI?

1 MR. HOLLINS: I can't speak to that
2 directly. I'm sure --

3 Did you get yours yet?

4 MS. DAVIS-DRAKE: No.

5 MR. HOLLINS: I will have to get back.

6 VICE CHAIRPERSON BELL: I don't know about
7 the end of life, but I know our vehicles are almost at
8 the end of life.

9 MR. HOLLINS: Well, they are -- they are
10 bringing in new vehicles, and I can get that answer
11 back to you regarding --

12 VICE CHAIRPERSON BELL: Can you do a
13 follow-up and see --

14 MR. HOLLINS: Okay.

15 VICE CHAIRPERSON BELL: -- if we are in
16 consideration for some form of replacement? We would
17 appreciate it.

18 MR. HOLLINS: Yes, sir.

19 VICE CHAIRPERSON BELL: Thank you.

20 MR. HOLLINS: Any other questions on fleet?

21 COMMISSIONER MALLETT: Mr. Chair?

22 VICE CHAIRPERSON BELL: Yes, sir.

23 COMMISSIONER MALLETT: Mr. Hollins, I'm
24 assuming, because I was stunned when you had four
25 people managing 150,000 pieces of evidence. This is

1 all computerized, and so the fact that you have such a
2 small number, obviously quite skilled and familiar
3 with what they're doing. But in terms of maintaining
4 control of the inventory, the process is one that
5 you're very confident in if you control over this vast
6 number of pieces of equipment, pieces of evidence and
7 that kind of thing.

8 MR. HOLLINS: Well, as you know -- well,
9 Property has a dual function. You know, any evidence
10 that we pick up off the street we've got to maintain a
11 chain of custody.

12 COMMISSIONER MALLETT: Yeah, right.

13 MR. HOLLINS: So we have a tracking system,
14 and that was what I was trying to allude to on the
15 tracker system.

16 DEPUTY CHIEF LEVALLEY: So we have a system
17 that we put in -- actually, we just purchased it
18 toward the end of last year. We replaced our old
19 system with a new one called tracker. And the tracker
20 system has all barcode scanned guns that they scan all
21 of the evidence into bins and locations, depending on
22 the size, what type of evidence it is. Right -- at
23 any given time we normally have around 400,000 pieces
24 of evidence that we store here at this facility.
25 That's actually on the first floor of the parking

1 structure. I don't know if you've ever seen it or if
2 you're interested, but it's kind of interesting. It's
3 a lot of evidence there. I can set something up if
4 you'd like to see it. The officers that are --

5 COMMISSIONER MALLETT: This is all
6 mechanized --

7 DEPUTY CHIEF LEVALLEY: Yes.

8 COMMISSIONER MALLETT: -- in terms of the
9 bin retrieval and all that?

10 DEPUTY CHIEF LEVALLEY: No, it's not all
11 mechanical bins that move, but there are rows and
12 floor to ceiling bins that are numbered. There's
13 barrels, like gun barrels, that are all numbered where
14 we keep firearms, you know, like homicide evidence.
15 We have to keep that for 75 years. So we have a
16 tremendous amount of homicide evidence down there
17 dating back to 1940.

18 We're constantly purging that. Those
19 officers that are assigned there are constantly going
20 through the evidence that is beyond the time that we
21 would need to keep it for court or beyond appeals.
22 They're constantly getting rid of evidence, making
23 money deposits every week. We take in a lot of cash,
24 drugs, making drug burns constantly.

25 And then in addition to that, the officers

1 that work there, this is where officers come --
2 detectives come every day when they have court and
3 they need to check out evidence. So they maintain a
4 front desk at that location as well checking evidence
5 in and out.

6 The entire system, as I said, it prints out
7 a very sticky label that goes onto either the envelope
8 or the back of something. If it's like a television,
9 we put it on the back of the television so that
10 everything is barcode and scanned. And the system
11 keeps track of who has it, how long they've had it
12 out. It will generate alerts to us that somebody's
13 had a piece of evidence out longer than they should
14 have.

15 All of the releases now are done
16 electronically through the system, whereas in the past
17 you had to go to a precinct and track somebody down
18 and get a piece of paper that you would take to 1300
19 Beaubien. Now it's all done electronically. So it
20 can be done over the phone. A detective can do that.

21 If we're releasing the property to a
22 citizen, they don't have to make multiple stops. They
23 do have to come here to get it, because this is where
24 we store it, but it is a very well organized system.

25 COMMISSIONER MALLETT: Okay. Thank you.

1 DEPUTY CHIEF LEVALLEY: Yeah. And the
2 sergeant there has been there for a few years now is
3 really, really on top of it. And he actually -- when
4 they moved out of 1300 Beaubien, I believe he was able
5 to purge a few hundred thousand pieces of old evidence
6 that we just never got to, so ...

7 MR. HOLLINS: We just did Fleets. Okay.
8 Part of Fleet is actually the Auction Detail, which
9 has been renamed the Abandoned Vehicle Task Force.
10 Basically the Auction Detail is responsible for the
11 inspection of public vehicles, it's one of their
12 functions. And they also conduct the auctions for all
13 city entities that impound vehicles that are left
14 unclaimed. That includes the municipal parking, the
15 boot and tow program. That includes forfeiture
16 vehicles. They do the auction for them. That's
17 narcotics.

18 And basically one of the metrics I gave you
19 is that last year they -- basically 5,900 vehicles
20 were auctioned off and they generated income of over
21 \$130,000, which went into the general city budget.
22 They also conducted taxicab inspections and received
23 out 849, adding 59,000 to the department's budget.
24 That goes to the police department. So far this year
25 they've auctioned off -- we're running a little ahead

1 of schedule here. They've auctioned off 128,000 worth
2 of unclaimed vehicles.

3 I did have one other additional piece of
4 information about auction.

5 VICE CHAIRPERSON BELL: Sir, how do we
6 advertise that? I don't hear too much about the
7 police auction anymore. I don't know if that's --
8 what's the process of communicating with the public?

9 MR. HOLLINS: I can't speak to that
10 directly. I don't know the answer to that question.
11 I can get you the answer. However, I believe it's on
12 the department's -- I believe it on the department's
13 website, but don't quote me on that.

14 DEPUTY CHIEF LEVALLEY: It's also published
15 on social media.

16 VICE CHAIRPERSON BELL: Social media.

17 DEPUTY CHIEF LEVALLEY: We advertise it
18 there.

19 VICE CHAIRPERSON BELL: Okay. Thank you.

20 DEPUTY CHIEF LEVALLEY: I think somebody
21 probably -- I mean, you probably won't see a
22 commercial on it, but if somebody wants it they'll
23 have to look for it. I mean, it's not -- they're not
24 the best cars in the world that we're auctioning off.

25 VICE CHAIRPERSON BELL: I know, but some

1 people have interest.

2 DEPUTY CHIEF LEVALLEY: I know.

3 VICE CHAIRPERSON BELL: I'm just curious.

4 I don't have an interest. I've got one already.

5 MR. HOLLINS: Okay. I got a moment to
6 review my notes here, but basically this is a
7 situation where the City collects the storage fee.
8 All abandoned vehicles, all boot and tow vehicles, are
9 taken to this facility. That's the one over on
10 Caniff. And that is where we also are collecting the
11 \$75 administration fee directly. I do not have the
12 total number, but 5,900 vehicles were never claimed of
13 the total. I'll get you the total.

14 And I guess I was ready to take questions
15 at the end, but I think we --

16 VICE CHAIRPERSON BELL: Any other questions
17 or concerns, commissioners?

18 Yes, sir.

19 COMMISSIONER CRAWFORD: Sir, through the
20 Chair, in terms of the storage fees, we've in the past
21 had some citizens come before the Commission complain
22 about their vehicle was impounded or vehicle was
23 tagged for evidence or something to that effect, there
24 was a failure in communication or notification and the
25 vehicle sat at whatever location, tow yard, for days

1 or sometimes weeks. Has that issue occurred recently
2 in terms of -- and how are you dealing with it?

3 MR. HOLLINS: Okay. If it's a true
4 evidence vehicle, meaning the citizen was a victim of
5 a crime, they're not charged.

6 COMMISSIONER CRAWFORD: That's right.

7 MR. HOLLINS: All right. However, if it's
8 a recovered vehicle, meaning it was stolen and we
9 recover their property and we put it under
10 safekeeping, in that instance there is a storage fee
11 charge.

12 Now, the hookup fee, nobody works for free,
13 everybody's charged that.

14 The city administration fee, I don't think
15 there's any leeway there. But the storage fee, that's
16 why TCRU primarily handles waiving those type fees,
17 and they do quite a few. I used to work there.

18 COMMISSIONER CRAWFORD: So in waiving --
19 pardon me. In waiving the fee, we're talking about
20 waiving the storage fee?

21 MR. HOLLINS: The storage fee.

22 COMMISSIONER CRAWFORD: That's important,
23 okay.

24 VICE CHAIRPERSON BELL: Commissioner
25 Mallett?

1 DEPUTY CHIEF LEVALLEY: Yes, sir. I was
2 just going to add to that.

3 There are a few circumstances where we do
4 absorb that fee for crime victims. I know Mr. Hollins
5 said that the hookup fee, yes, the towers need to be
6 paid, but they don't absorb that fee. So under those
7 circumstances we do have a fund that we end up having
8 to pay it out of the police budget, the fee, but we do
9 do that under certain circumstances for crime victims.

10 COMMISSIONER CRAWFORD: Yes, sir. Thank
11 you.

12 COMMISSIONER MALLETT: Mr. Chairman.

13 I was wondering, Mr. Hollins, it had in
14 your initial presentation Animal Control?

15 MR. HOLLINS: Okay. That wasn't supposed
16 to make this draft, but I guess -- that's a hot one I
17 knew -- well, if you check the org chart, it's no
18 longer up under Resource Management. That's a direct
19 report to the AC's office. Also, there's rumblings
20 that they're going back to Health.

21 VICE CHAIRPERSON BELL: My understanding
22 that -- as Commissioner Mallett mentioned, that it's
23 been transferred out of DPD responsibility, which is
24 to me a good thing, you know. I know A.C. White
25 probably say thank you, thank you. I don't know yet.

1 Is that official yet?

2 MR. HOLLINS: I don't believe it is. I
3 don't believe that it is.

4 VICE CHAIRPERSON BELL: Okay.

5 MR. HOLLINS: I said rumblings, but that
6 was a typo. They were up under me at one point, but
7 when I pulled out the org chart to see if I had the
8 report on that's no longer one of my direct reports.

9 VICE CHAIRPERSON BELL: Okay. Yes, sir.

10 COMMISSIONER MALLETT: I missed my
11 opportunity, Mr. Chairman, to report a fun fact. I
12 know a lot of you on this table think I was born with
13 this suit on.

14 VICE CHAIRPERSON BELL: That's not true?

15 COMMISSIONER MALLETT: Not true. I was a
16 Animal Control officer --

17 VICE CHAIRPERSON BELL: Really?

18 COMMISSIONER MALLETT: -- for the City of
19 Detroit.

20 VICE CHAIRPERSON BELL: Freshman in high
21 school, I know.

22 COMMISSIONER MALLETT: No, not freshman in
23 high school. We had -- it was my second year in
24 college. They were still advertising. We went down.
25 The job paid more than being a lifeguard. And so we

1 signed up to do that, and it was the nuttiest job on
2 earth.

3 As a fresh recruit, for two of the three
4 months I worked there I cleaned up dog business every
5 day, three times a day, just so you know that you go
6 through a lot of experiences to make sure that you
7 understand that ain't what I want to do, but the --
8 but on the flip side, when I finally did get in a
9 truck, thank God, you know, then and now the
10 population of stray animals, and I don't believe the
11 report that the -- of a couple of -- a year ago, they
12 say 10,000 or whatever the hell it is, but it does
13 remain a problem. And it's a quality of life issue
14 inasmuch as a public health issue.

15 VICE CHAIRPERSON BELL: Yes.

16 COMMISSIONER MALLETT: I don't think it
17 belongs in the police department.

18 VICE CHAIRPERSON BELL: I agree with you a
19 hundred percent on that.

20 COMMISSIONER CRAWFORD: I was just curious
21 if the commissioner ever got bit?

22 COMMISSIONER MALLETT: I did. I got bit
23 and -- yes, yes.

24 VICE CHAIRPERSON BELL: Bringing back
25 memories, huh?

1 COMMISSIONER MALLETT: Yeah, nightmares.

2 VICE CHAIRPERSON BELL: I want to thank
3 you --

4 COMMISSIONER DEWAEELSCHÉ: Mr. Chair --

5 VICE CHAIRPERSON BELL: I'm sorry.

6 COMMISSIONER DEWAEELSCHÉ: I have a
7 question.

8 VICE CHAIRPERSON BELL: Go ahead. I'm
9 sorry.

10 COMMISSIONER DEWAEELSCHÉ: And this may have
11 been discussed before I got on the board or when I
12 didn't attend a meeting, but how did we select the
13 location for the OCI moves and what was the rationale
14 for selecting Palmer Park?

15 MR. HOLLINS: Okay. That project was prior
16 to my coming onto Resource Management. I might want
17 to throw that one to the Deputy Chief.

18 DEPUTY CHIEF LEVALLEY: Thank you. It was
19 prior to mine as well. However, I do --

20 COMMISSIONER DEWAEELSCHÉ: Nobody can
21 answer.

22 DEPUTY CHIEF LEVALLEY: Well, I do know
23 that it was already a city-owned facility, so we
24 didn't purchase the facility. And I believe the
25 leases that we were in downtown for Disciplinary --

1 well, Disciplinary was at 7010, but for OCI, Internal
2 Affairs --

3 COMMISSIONER DEWAEELSCHÉ: Cadillac Square
4 Building?

5 DEPUTY CHIEF LEVALLEY: Correct.

6 COMMISSIONER DEWAEELSCHÉ: I understand.

7 DEPUTY CHIEF LEVALLEY: We were coming to
8 an end and we needed to get out of as many leases as
9 we could. And I believe that -- I know that our
10 mandate as we went through bankruptcy was to try to
11 move away from leasing.

12 COMMISSIONER DEWAEELSCHÉ: And I understand
13 that. I'm just questioning the location.

14 Shouldn't this office be accessible to the
15 community? And I'm not saying that that's not a good
16 -- you know, that's a beautiful place, but could it be
17 more centrally located, say midtown or, you know, like
18 somewhere -- Wayne State area, where it's centrally
19 located to the east and the west side of Detroit?

20 And I just speak from -- in terms of my
21 community, I don't see people from southwest Detroit
22 coming all the way to Eight Mile and Woodward area to
23 file a complaint. I'm just -- it's just a question I
24 have. And there may have been discussions, and if
25 there weren't, you know, I would be surprised about

1 that as far as -- we own more than that building. I
2 mean, we have several buildings in the city.

3 DEPUTY CHIEF LEVALLEY: I do know that one
4 reason the decision was made is that thought it made
5 sense to have Disciplinary and OCI housed at the same
6 location, because that way they would have easy access
7 to information, files, be able to work together.

8 With regard to making complaints, you know,
9 complaints can be made at any police facility. So I
10 don't necessarily know that anybody has to actually go
11 there to make the complaint. I'm sure they do take
12 complaints if somebody walked in, but every supervisor
13 in the Detroit Police Department can take a complaint,
14 whether it be from their car, from over the phone, you
15 know, at any police facility. We have a policy
16 prohibiting them from referring anybody anywhere else
17 to make a complaint.

18 So I do agree. I mean, there are a ton of
19 locations. I guess for the right price per square
20 foot we could have been downtown or midtown. It's
21 just -- I don't have a better answer than that.
22 That's kind of where we ended up.

23 COMMISSIONER DEWAELSCHÉ: Okay.

24 COMMISSIONER MOORE: Through the Chair.

25 VICE CHAIRPERSON BELL: Yes.

1 COMMISSIONER MOORE: Chief, you mentioned
2 that all complaints -- complaints can be taken
3 anywhere throughout the city?

4 DEPUTY CHIEF LEVALLEY: Correct.

5 COMMISSIONER MOORE: Are they automatically
6 referred to the Chief Investigator's office or are
7 they --

8 DEPUTY CHIEF LEVALLEY: Yes. Complaints
9 are now entered -- as soon as the supervisor takes
10 them, they're done electronically in a management
11 awareness system. Those automatically go to OCI so
12 they have the complaint within -- well, as soon as
13 they hit the submit button it's there. So we don't do
14 paper carbon copies anymore. That's out.

15 COMMISSIONER MOORE: So it's not internal
16 -- well, not internal, but say, for instance, Sixth
17 Precinct. If someone walked to the Sixth Precinct
18 about a Sixth Precinct officer, it wouldn't still be
19 at that occasion, it would be forwarded?

20 DEPUTY CHIEF LEVALLEY: They all go to OCI,
21 even if you resolve the complaint now. I know in the
22 past supervisors had the ability to resolve a
23 complaint and then just make a blotter entry saying
24 that the citizen walked in with a complaint, I took
25 care of it, end of story. That's not the case

1 anymore. Everybody who walks in with a complaint it's
2 logged, recorded.

3 Now, if you do resolve the complaint to
4 what you believe is the citizen's satisfaction, that's
5 recorded in that complaint form and then that still
6 goes to Office of the Chief Investigator so they track
7 that information. And then there would be a follow-up
8 to say was it really resolved or -- we don't want
9 anybody trying to indicate they resolved a complaint
10 that wasn't really resolved.

11 COMMISSIONER MOORE: Thanks.

12 VICE CHAIRPERSON BELL: Yes, ma'am.

13 MS. DAVIS-DRAKE: Thank you, sir. Pamela
14 Davis-Drake for the record.

15 Commissioner Dewaelsche, in answer to your
16 question, there was a lot of discussion that was
17 involved. The board -- the former board actually,
18 Commissioner White was a part of that, Commissioner
19 Taylor, Commissioner Warfield were very involved in
20 the discussion with regard to the location, had the
21 same concerns, same questions. We all shared that.

22 I know that there were several buildings
23 that were available in the city that the police
24 department did have access to. It was decided based
25 on the building itself, the amount of repair that was

1 being -- that needed to be done, the amount of money
2 that went into the repairs and so forth, that this was
3 the location that would be settled upon.

4 There was discussion. We didn't
5 necessarily have a great deal of input. We were, you
6 know, of course looking to the department to make that
7 decision on our behalf. So we didn't have as much
8 input, but we did -- we were very much involved in
9 that discussion, if that answers your question.

10 VICE CHAIRPERSON BELL: Commissioner
11 Dewaelsche, when we arrived, I raised that issue, too.
12 I thought that was really out of the beaten path.
13 With the transportation system that we have in the
14 city of Detroit, it's not fair for those on the lower
15 east side or southwest even though you can file the
16 complaint online. It's easy, but the complainant has
17 to follow up and show up.

18 COMMISSIONER DEWAELSCHÉ: Right.

19 MS. DAVIS-DRAKE: Correct.

20 VICE CHAIRPERSON BELL: Correct. So, as
21 you well know, a whole lot of complainants do not have
22 transportation. And downtown is downtown and midtown
23 is more convenient for the city of Detroit.
24 Unfortunate, this board -- this past board allowed --
25 you know, made a decision with the DPD. I raised that

1 issue when I got here, because I formerly working in
2 that office understand the logistic. Even where we
3 were on Woodward Avenue the parking situation, you
4 know, but basically where you are now I guess we --
5 but we did not make that call. I guess the board had
6 input, but the dye was cast on the Emergency Manager
7 and the City of Detroit at that time; is that correct?

8 MS. DAVIS-DRAKE: That is partially
9 correct, sir.

10 VICE CHAIRPERSON BELL: Yes, partially.

11 MS. DAVIS-DRAKE: I don't know all the --

12 VICE CHAIRPERSON BELL: Yes, ma'am, I
13 understand. The listing and the building and all
14 that. So your question is right on point --

15 MS. DAVIS-DRAKE: Correct.

16 VICE CHAIRPERSON BELL: -- in reference to
17 a logistic in terms of people getting there under
18 these restraints of the city of Detroit transportation
19 system. And that's why I want to know how can people
20 buy an abandoned car. Maybe they can fix it up and --
21 you know, it doesn't make any difference. That's a
22 little humor there, but that's the reality.

23 And we know that the bus system -- even the
24 Mayor and the Vice President was here just recently
25 and referenced hopefully things improve and that it

1 works out, because we are going to be there sometime
2 this year.

3 MS. DAVIS DRAKE: We certainly hope so,
4 sir. But in response to the number of people that
5 actually come in, we don't have a large number of
6 citizens that actually come down to the office.

7 VICE CHAIRPERSON BELL: That's true, okay.

8 MS. DAVIS-DRAKE: We didn't in this office.
9 We didn't when we were in the Palms Building.

10 VICE CHAIRPERSON BELL: Okay.

11 MS. DAVIS-DRAKE: But it is nice to have --
12 to know that they are accessible, the building is
13 accessible. And we're hoping that that will be the
14 case with this building. We're hoping that citizens
15 will feel free to come down and to make the complaints
16 in person if need be. We do have ample space for
17 them. We have been very much involved. As you know,
18 sir, you were a part of those --

19 VICE CHAIRPERSON BELL: Yes.

20 MS. DAVIS-DRAKE: -- as well.

21 As far as the build-out, the restructuring
22 and renovations we've been a part of that from the
23 very beginning. So we do appreciate that and we do
24 appreciate the department's cooperation in allowing us
25 to be a part of those conversations.

1 VICE CHAIRPERSON BELL: Yeah. And
2 hopefully, you know, it's going to be a great facility
3 in Palmer Park.

4 MS. DAVIS-DRAKE: It is.

5 VICE CHAIRPERSON BELL: We can marquee that
6 in the location.

7 In fact, Conrad Mallett, Commissioner, I
8 went through the academy back in the day. Not with
9 your father, but 1971 as far as that location. And
10 physically it was a great experience, because you
11 could run Palmer Park. You know, but that area is
12 being really lifted up, and so it's also going to be a
13 historic area.

14 COMMISSIONER MALLETT: Yes.

15 VICE CHAIRPERSON BELL: So I think it's
16 perhaps a good move. We look on the positive side.

17 And I want to say one more thing about the
18 Third Precinct. I had the opportunity to walk through
19 that facility last week -- couple weeks ago with
20 Captain Tosqui who got transferred that Monday. I
21 liked the facility. It seemed like the officers liked
22 the facility. It's really a great -- that's centrally
23 located. And he walked through the whole process. He
24 was really proud of the building, and I really
25 appreciate the officers having a good quality facility

1 that they can enjoy. They're going to have a outdoor
2 facility for lunch and --

3 MR. HOLLINS: It's a great building.

4 VICE CHAIRPERSON BELL: Thank you.

5 MR. HOLLINS: By the way, that Palmer Park
6 precinct -- Palmer Park location, pardon me, is 80
7 percent complete. We do have a hiccup, but it's going
8 to proceed and within -- I can't give you a date,
9 but --

10 VICE CHAIRPERSON BELL: Don't give us a
11 date. Don't be the Like Captain Blitz (ph).

12 Thank you, sir.

13 Any other questions or concerns?

14 COMMISSIONER SHELBY: Yeah, through the
15 Chair.

16 VICE CHAIRPERSON BELL: Yes, sir.

17 COMMISSIONER SHELBY: The monies in the
18 forfeiture fund, how are they being utilized by the
19 department?

20 MR. HOLLINS: That's not handled by
21 Resource Management.

22 Chief?

23 DEPUTY CHIEF LEVALLEY: Well, we do make a
24 variety of purchases in training through forfeiture
25 funds. You know, right now one of the larger

1 purchases that we're looking to use forfeiture funds
2 for is body cameras. Recently we purchased the new
3 Barakat for SRT through forfeiture funds. That's
4 about a half a million-dollar vehicle.

5 So we do, you know, purchase a variety of
6 equipment and whatnot through forfeiture, but the
7 account is -- I don't know how much actually is in the
8 account. Fiscal handles that, but it has sufficient
9 funds to purchase equipment.

10 COMMISSIONER CRAWFORD: Yes, through the
11 Chair. Deputy Chief, in terms of the body cams, too,
12 I've recently read that there's a million dollars
13 coming from Washington grant monies.

14 DEPUTY CHIEF LEVALLEY: Correct. We just
15 were awarded two grants.

16 COMMISSIONER CRAWFORD: Right, two of other
17 ones to hire some officers. I think it's 15 officers
18 like. What was it, 2.8 million or something like
19 that?

20 DEPUTY CHIEF LEVALLEY: Yes.

21 COMMISSIONER CRAWFORD: Thank you.

22 MR. HOLLINS: All set?

23 Thank you.

24 COMMISSIONER DEWAELESCHE: Thank you.

25 VICE CHAIRPERSON BELL: Thank you.

1 Standing committee reports -- let's pause.

2 Deputy Chief LeValley, would you introduce
3 -- we want to get the names on the record for staffing
4 and/or personnel for DPD.

5 DEPUTY CHIEF LEVALLEY: Sure. Well, you
6 already met Facility Manager Hollins who recently
7 retired as a lieutenant.

8 VICE CHAIRPERSON BELL: Oh.

9 DEPUTY CHIEF LEVALLEY: Johnny Thomas,
10 commander of Organized Crime. Celia Washington is the
11 Chief's legal adviser. DeShawn Sims is the commander
12 of Professional Accountability Standards --
13 professional Standards. In the back, Sergeant Dennis
14 Perkins from the Chief's neighborhood liaison officer.
15 And Sergeant Al Quinn from audio visual.

16 MR. QUINN: Thank you.

17 VICE CHAIRPERSON BELL: Thank you, sir.

18 Standing committee reports?

19 New business?

20 Yes, sir.

21 COMMISSIONER WHITE: Mr. Vice Chair, I did
22 have a -- to ask for a point of information. As I
23 peruse the minutes, I notice we have cancelled our
24 meeting for next week in the state of training day. I
25 just wanted to ask what does training day include?

1 VICE CHAIRPERSON BELL: Training day is we
2 discuss and approve -- it's more or less like several
3 of the commissioners are attending the Riverside
4 NACOLE conference in California. And staff is also
5 attending. I think we're also going to have one of
6 our investigators -- senior investigator staff is also
7 attending. So, therefore, the one person that's left
8 on staff would be training day in terms of the issue.
9 So that's pretty much how we decided that, made the
10 decision.

11 COMMISSIONER WHITE: Thank you, Mr. Vice
12 Chair. Also -- and I won't belabor the point now, but
13 -- and I see in the minutes as well as that we had
14 some comments from our counsel as it relates to
15 training day not being opposite of a regular meeting.

16 And just in my understanding of the charter
17 and in my five years in being a part of this body,
18 we've met consistently and consecutively as a body.
19 And my concern would be is that, one, open meetings
20 and accessibility to the public, and training day
21 would be more of an informal meeting where our normal
22 meetings would lean towards a formal meeting.

23 So I don't want to belabor through a ruling
24 of a out of order motion that was made, but I would
25 like to announce my plan as per Robber Rules of Order

1 to ask for a motion to rescind that motion and we meet
2 as normally scheduled on a day to be announced during
3 the course of the week that is available for members
4 who are still here at our upcoming meeting next week.
5 And I would ask our executive secretary to share via
6 E-mail to all members of the body my plans to put
7 forth a motion at our next meeting to rescind the
8 motion that was made.

9 VICE CHAIRPERSON BELL: Let it reflect
10 that. And another part of that, that meeting was
11 scheduled on a -- for a community meeting also. It
12 was not a regular three o'clock meeting. That was a
13 6:30 meeting. And I think we need to really look at
14 how we schedule meetings, especially on a meeting --
15 evening meeting when majority of the commissioners are
16 going to be not present and attend a very, very
17 important training conference.

18 And one of the things that we talked about
19 in terms of training of commissioner would be abreast
20 of the issues that we face. So, therefore, that's why
21 this body made that decision.

22 Yes, sir.

23 COMMISSIONER CRAWFORD: I'm sorry. Through
24 the Chair, I also have the same concerns as
25 Commissioner White as I did last year, as I stated

1 last week at last week's meeting in terms of, you
2 know, the charter and the Open Meetings Act. And last
3 year what we did -- I believe Commissioner White was
4 here, didn't attend the conference and was here in the
5 city. We still had a meeting, a commission meeting,
6 but it was only -- it was two or three members that
7 were here and the meeting was called to order. It was
8 just a informational type report out from the
9 department. And that's what we did last year.

10 VICE CHAIRPERSON BELL: As I mentioned,
11 Commissioner Crawford, this is a community meeting.
12 If you're going to hold a community meeting without
13 the body here, that is not good business sense to
14 initiate that type of meeting setting.

15 COMMISSIONER CRAWFORD: I do agree.

16 VICE CHAIRPERSON BELL: Okay.

17 COMMISSIONER CRAWFORD: I do agree with
18 you, but the meeting -- the community meeting can be
19 moved to another date and we can still have a -- well,
20 somewhat of a commission meeting. I agree with you
21 wholeheartedly, Vice Chair.

22 VICE CHAIRPERSON BELL: Yes, ma'am.

23 COMMISSIONER WHITE: And I will just concur
24 that definitely I don't see any issue with
25 rescheduling a community meeting. The issue would be

1 it's not a meeting during the week, which would to me
2 be antithetical, which the charter speaks to shall
3 meet weekly, not may meet weekly, which is very clear
4 in my understanding of --

5 We have Chief Justice Mallett at the end.
6 I've heard some clear differences between "shall" and
7 "may." So it says we shall meet.

8 And so I would just -- if we're going to
9 move the committee meeting, understood, but I would
10 lean towards adhering to the charter.

11 VICE CHAIRPERSON BELL: Okay. On old
12 business -- under the old business you have the
13 meeting that we talked about on October 15 that there
14 was some major conflict with the school scheduling.
15 And, therefore, you see on your handout of the agenda
16 it's going to be on Thursday, October the 29th at 1:30
17 p.m. at Osborn High School. And they welcome that due
18 to the fact that that gives us opportunity -- that's
19 just before Angel Night weekend also. And they were
20 enthused that we was going to hold our meeting there
21 in that time frame, and it's three high schools. And
22 you heard about Cease Fire, Captain Cox and the other
23 entities involved.

24 So that is the announced date and time that
25 we would entertain going to Osborn High School, and we

1 had discussion on that. But the date is now October
2 29th. So it's not feasible to meet on October the
3 15th.

4 So that's -- the next community meeting is
5 October the 29th. The next meeting would be scheduled
6 on October the 1st, 2015 at 3 p.m., Detroit Public
7 Safety Headquarters. That would be next week.

8 At this time, we will move to oral
9 communication from the audience. Please give your
10 name, and you have two minutes, and be respectful
11 because we are respectful of you.

12 MR. WELBORNE: Good evening, board. Bill
13 Welborne. First, I want to thank the board for last
14 week. I really appreciated last week. And my
15 daughter looked at it and she said this is great. So
16 again I want to thank you all very much.

17 On these complaints that we're getting
18 about the police department about individual police,
19 I'm just saying to me it's frivolous complaints. The
20 reason I say this, we had a few problems in the 12th.
21 We had people that asked for something to be done and
22 asked for something to be done today and they want it
23 done last week. And so we asked a bunch of -- that's
24 just crazy. You know, even it feels to me the job
25 they do is one heck of a job. You guys got a lot of

1 work to do, and they can't satisfy everybody. There's
2 no way in the world you're going to satisfy everybody,
3 and anybody say so is crazy.

4 My NPO he goes from Schaefer to Livernois,
5 Eight to Seven. That is a large area. Everybody
6 wants everything done right away.

7 We've got a couple people that every time
8 something happens they'll call downtown and, you know,
9 why call downtown. We got to settle our own dirty
10 laundry within the precinct. Why can't you call
11 myself, Don Johnson or Captain Balinski and we take
12 care of stuff in the precinct. We don't need the
13 whole world to know what's going on if you got
14 something wrong. We can settle it ourself, but these
15 particular people every week they call for something.

16 Now, these two people were on the executive
17 board. They were expelled from the board because of
18 the things they've done. They talk about the
19 officers, they talk about police department, they talk
20 about the executive board and everything else.
21 Everything anybody do is detrimental except what they
22 do. And, you know, these complaints keep building up,
23 building up, building up.

24 And I'd just like to know when these people
25 call down with a complaint do they check and see if

1 they -- check with the precinct first, because, you
2 know, to me Community Relations serve the police. It
3 is established to support the police. We try to
4 bridge the gap, and that's we supposed to do and
5 that's what we gonna do. We don't dictate to the
6 police department or anything else. We ask them if
7 you need us to do this or do that, and that's what we
8 try to do.

9 And when I was a president citywide, I'll
10 tell everybody, do not dictate to the DPD. We work
11 with them. If you don't like it, then get off the
12 ship, because you're wrong.

13 But, like I say, some of these reports
14 people just calling in for the heck of it, and they
15 keep doing this time and time again. And I'm at the
16 point now where I'm sick of it. And I've talked to
17 people that calling and I say from now on call me or
18 call Don Johnson, President. I'm serving as a vice
19 president. Call one of us. We sit down and talk
20 about it. And to me that's the best way to do it.

21 Thank you.

22 VICE CHAIRPERSON BELL: Thank you, sir.

23 MR. BACHAND: Good afternoon. Through the
24 Chair, my name is Nicholas Bachand. I represent
25 several of the different towing companies, and I enjoy

1 coming to your meetings.

2 I found the Resource Management
3 presentation good, and I'd ask anyone that is
4 unfamiliar with everything that goes on with towing
5 and the relationship between towing and the police
6 departments to feel free to ask and inquire about the
7 information.

8 And it should be known that, you know, \$75
9 is collected on every car that is towed. And while
10 some of it has gone through the abandoned vehicle
11 process that is done through municipal parking, a
12 majority of it is actually done by the towers inhouse
13 that collect the money, and it goes to the general
14 fund.

15 And I would ask the Board of Police
16 Commissioners to look into those funds and see if you
17 can get them directed to the police for their
18 services.

19 So I'm here. I know Tom also represents a
20 bunch of the towing companies. If you ever have
21 questions or concerns, we're here. Let us know. We'd
22 love to tell you.

23 Thank you.

24 VICE CHAIRPERSON BELL: Thank you, sir.

25 MR. SCOTT: Ron Scott. Thank you,

1 Commissioner Bell. I wasn't able to be here for the
2 meeting on the 22nd. I was in D.C. for the Black
3 Caucus and for some other things and on the panel
4 dealing with these matters.

5 Let me say this, and maybe I've got the
6 wrong information. Where is the OCI going to be
7 located, OCI office?

8 MS. DAVIS-DRAKE: Palmer Park.

9 MR. SCOTT: Palmer Park. And will it be
10 any police facility?

11 MS. DAVIS-DRAKE: Police ...

12 For the record, Pamela Davis-Drake. The
13 building location is Palmer Park. It is actually
14 900 Merrill Plaisance, right in the center of Palmer
15 Park. And, yes, there will be police presence in the
16 building. Disciplinary action will be in the building
17 with us.

18 VICE CHAIRPERSON BELL: And the mounted
19 section is just adjacent to us.

20 MS. DAVIS-DRAKE: Yes.

21 VICE CHAIRPERSON BELL: It's on the same
22 grounds.

23 MR. SCOTT: This was one of the issues that
24 came up at the meeting. We have a bifurcated system.
25 Now, we have Office of the Chief Investigator, we have

1 Internal Affairs. And the point that was raised among
2 a number of people that were there as I strident --
3 was strident in speaking about the police commission
4 and its historic and strong presence for the past 40
5 years, that some people who filed complaints who
6 choose to go in may not want to have interaction with
7 individuals who they may have had interaction with on
8 the street.

9 So I think it's -- I mean, I don't want to
10 hear about the money. I'm talking about relationships
11 and institution building, transparency and the
12 feelings that people have at a time where we're
13 questioning the relationships in terms of how our
14 officers and people interact.

15 Now, if I'm a citizen and I have an adverse
16 impact, not to say that I would, would I feel
17 comfortable going into the building. I raised the
18 same question about the telephone system, that when
19 people call, one can get -- easily get the impression
20 that they're calling the police department, not a OCI.

21 So there needs to be a different kind of
22 presence established that speaks to the -- as what the
23 charter and the mission and the focus of the
24 commission was is to have an independent entity,
25 oversight entity. And I spoke strongly about

1 oversight. It's basically what I've been speaking
2 about recently.

3 So having said that it's been done, I don't
4 think it was the right thing to do. And I would
5 emphatically say that it's not just about the money,
6 it's about the perception, it's about the
7 independence, it's about how people perceive and what
8 the relationships are. And I think that is important.
9 This body is to maintain as independence an integrity
10 that that's important. And so don't tell me about the
11 money. That is not the motion, only motion that we
12 have here.

13 Secondly, and I'll conclude, I've spoken to
14 Celia Washington, Celia Banks-Washington, regarding a
15 complaint that we got about a young man that was
16 stopped by task force over on the east side of Detroit
17 where individuals have masks and were confiscating
18 cars in an alleged prostitution sting. And his car --
19 he said he was going to Kentucky Fried Chicken to get
20 some food for his children, but the mask -- and when
21 the masks were put on the officers, his contention was
22 that there were weapons drawn. And he was told to put
23 his hands out of the car, get out of the car and back
24 up.

25 And I want to know whether, one, that was

1 protocol. And, two, if it is protocol, what was
2 probable cause, reasonable suspicion, and a number of
3 other issues that related to that particular matter?

4 COMMANDER THOMAS: Commander Thomas,
5 Organized Crime.

6 It wasn't a task force. It was Vice
7 Enforcement that was running a OT operation. The
8 individual you're referring to stopped, solicited one
9 of the decoy officers. A marked scout car had pulled
10 him over. He was then ticketed and his vehicle was
11 impounded and forfeited procedures went through.

12 So that's where it stands now.

13 MR. SCOTT: You said on the record that he
14 solicited. There was a preliminary exam that was held
15 on --

16 VICE CHAIRPERSON BELL: Excuse me. Could
17 we just pause.

18 MS. SCOTT: So you can't say that.

19 VICE CHAIRPERSON BELL: Can we just pause.
20 We're not going to debate the issues. I mean --

21 MR. SCOTT: I'm just saying if he's placing
22 something on the record and says it's true and it
23 hasn't been adjudicated, and that's not correct.

24 COMMANDER THOMAS: Okay. Let me apologize.
25 The officer -- the female officer that was the decoy

1 was approached by this individual. And her rendition
2 of the interaction was that he solicited her for
3 sexual favors for a fee. And then she radioed in --
4 or she signaled the takedown unit who then pulled him
5 over and he was processed accordingly.

6 VICE CHAIRPERSON BELL: And this matter is
7 under investigation now; is that correct:

8 COMMANDER THOMAS: It is currently in the
9 court system, I believe.

10 VICE CHAIRPERSON BELL: The court system.
11 So let us not continue this particular --

12 MS. SCOTT: But I've got to say this.

13 VICE CHAIRPERSON BELL: Sir, sir --

14 MS. SCOTT: The mask and the guns is the
15 issue that I ask. A person, no matter what, stopped
16 in a situation like this -- I asked Ms. Washington to
17 ask about the mask, the guns and the use thereof. The
18 individual said he was frightened by that, and the
19 process and the imagery in relationship to it, whether
20 that is protocol.

21 VICE CHAIRPERSON BELL: It's been duly
22 noted. We're not going to have any further discussion
23 on this matter at this point. Thank you.

24 Okay. Chief Investigator Davis, you might
25 want to respond to the public entries and the police

1 officer -- it's very little interaction there. You
2 might want to respond to that concern.

3 MS. DAVIS-DRAKE: Well, we did have -- we
4 share the same concerns. I cannot, you know, stand
5 before you and say that we didn't have those concerns.
6 We've always been separate from the police department.
7 We've always tried to make it a comfortable place for
8 citizens to come and make a report without interacting
9 with the police.

10 There's not much more I can say on that. I
11 mean, we have always wanted the, you know, separation.
12 It didn't happen this time.

13 It is to some advantage to us to have the
14 disciplinary unit there with us, but it is of some
15 disadvantage to the public to have a police department
16 there. I mean, it is true.

17 VICE CHAIRPERSON BELL: Thank you. I just
18 wanted, you know, for you to share that, because
19 that's a decision of the past board and DPD. So it is
20 what it is this day and age and we just have to move
21 forward.

22 MS. DAVIS-DRAKE: Exactly. And we're well
23 prepared to do that, to move forward and to work with
24 whomever is in the building with us. Again, like I
25 said, we do have some advantage of having Disciplinary

1 right there with us, because we have disciplinary
2 hearings. There are times where we are called to
3 provide information to Disciplinary, and they provide
4 information to us also. So it is an advantage to
5 having them in the same building with us. It's also a
6 disadvantage to some degree to the citizens, but we
7 will work together and we will make it happen.

8 VICE CHAIRPERSON BELL: The Palms Building,
9 were we in the same building with Internal Affairs?

10 MS. DAVIS-DRAKE: Yes. And we were in the
11 same building with Internal Affairs when we were in
12 Cadillac Square until about a year ago or so. So we
13 have always been under, you know --

14 VICE CHAIRPERSON BELL: Yeah. So it's not
15 unusual -- and it's not a great deal with the public
16 person addressing complaints to interact with DPD
17 personnel coming from the various precincts. That's
18 very limited. From my own personal experience, there
19 was really no issue, because you didn't know who's
20 who, what's what, you know. So what it is in this day
21 and age.

22 Yes, sir.

23 COMMISSIONER MOORE: Through the Chair,
24 just for the record, Internal Affairs, are supply and
25 clothes (Inaudible)

1 MS. DAVIS-DRAKE: Yes.

2 VICE CHAIRPERSON BELL: Yes. But uniform
3 office do come through that process, too, you know, in
4 terms of utilizing the facility. That's just the way
5 it is.

6 MS. DAVIS-DRAKE: And one of the arguments
7 for the former board was to not have us in this
8 facility. That was one of the thoughts initially was
9 to have us here. Actually, right on this floor. And
10 the department heard the concerns and said, no, we're
11 going to find another location for them that's outside
12 of this building so it wouldn't be so concerning to
13 citizens to have to come through the front door of
14 Police Headquarters.

15 So they've been working with us, you know.
16 They're only so many buildings that are available in
17 the city of Detroit and only so many buildings that
18 are in a decent shape enough for us to actually move
19 in, so ...

20 VICE CHAIRPERSON BELL: Thank you.

21 MS. DAVIS-DRAKE: Thank you.

22 VICE CHAIRPERSON BELL: Appreciate it.

23 Yes, sir.

24 COMMISSIONER MALLETT: Mr. Chairman, I'm
25 just wondering, the previous colloquy, I guess I

1 missed it. Is the allegation that the complainant was
2 confronted by officers who were wearing masks? Is
3 that -- did I --

4 MS. BERNARD: Microphone. Use your
5 microphone so they can hear in the back.

6 COMMISSIONER MALLETT: Is that the
7 allegation, Mr. Chairman? I'm just trying to get some
8 clarity.

9 VICE CHAIRPERSON BELL: Yes. Deputy Chief
10 Watson is responding saying yes.

11 COMMISSIONER MALLETT: And so are we
12 investigating that in terms of the protocol associated
13 with that, because if that -- I'm -- that's new for
14 me, Mr. Chairman.

15 VICE CHAIRPERSON BELL: Okay. The
16 commander is coming back forth.

17 COMMISSIONER MALLETT: Okay.

18 VICE CHAIRPERSON BELL: No problem.

19 COMMANDER THOMAS: It is highly possible
20 there was members from vice there that had masks on,
21 because they do undercover operations. However, the
22 vehicle that pulled the individual over was completely
23 marked scout car, and the driver did not have on a
24 mask. The driver would have had on the blue BDUs with
25 a vice shirt that says "Detroit Police Vice Unit" on

1 it.

2 So the actual traffic stop itself was done
3 by a marked unit with overhead lights and sirens with
4 a officer that was not masked.

5 COMMISSIONER MALLETT: Mr. Chairman, I
6 defer to your knowledge and the commander, with deep
7 respect for you, is that regularly an accepted police
8 procedural protocol?

9 VICE CHAIRPERSON BELL: Commander?

10 COMMANDER THOMAS: Well, it depends. If
11 you have -- it's much like Narcotics. When Narcotics
12 do raids, some of their members wear masks, because
13 those same individuals are used to do buys within the
14 narcotics location. So you can't go in there and show
15 your face and then go back and be undercover, too. So
16 because we have so few people in those bodies then we
17 have to utilize them in both functions.

18 COMMISSIONER MOORE: Through the Chair.

19 VICE CHAIRPERSON BELL: Commander -- I
20 mean, Commissioner, my past experience that was not
21 ever the case of officers in terms of narcotic raids
22 and vice raids wearing masks in any form or
23 interaction.

24 COMMISSIONER SHELBY: Through the Chair.

25 VICE CHAIRPERSON BELL: If they was under

1 -- I'm sorry. Go ahead.

2 COMMISSIONER SHELBY: As a former
3 commanding officer of Organized Crime, former
4 commanding officer of a narcotics unit, officers wore
5 masks. Officer wore masks because they're making
6 undercover buys. You don't want to expose an officer.
7 So when a officer goes back on a raid he will have a
8 mask so he wouldn't be identified. That was a
9 procedure.

10 VICE CHAIRPERSON BELL: Okay.

11 COMMISSIONER MOORE: Through the Chair. I
12 think Commander Thomas touched upon it. We don't have
13 enough people now for anything. So you have to
14 recycle those officers to perform these functions.

15 COMMISSIONER CRAWFORD: Through the Chair.
16 My seven years of working undercover many years ago
17 that was the procedure, because you end up going back
18 out. Sometimes you end up locking up the same
19 individuals that were locked up previously. So that's
20 why the procedure of limited numbers of individuals on
21 a crew they wear masks. But, as the commander stated,
22 the arrests was affected by a marked scout car by a
23 uniformed officer. So thus maybe after the stop was
24 made this individual was arrested or something. Maybe
25 he --

1 COMMANDER THOMAS: Right. He was taken
2 through the processing area.

3 COMMISSIONER CRAWFORD: -- observed some
4 officers wear masks, or even in the processing areas
5 officers may have worn masks.

6 COMMISSIONER MALLETT: I -- it's just new
7 information to me.

8 VICE CHAIRPERSON BELL: Well, it's correct.
9 It's new information, because we had one complaint
10 where a officer with a mask came into a party store
11 doing some type of inspection. To me that's not
12 appropriate behavior, you know. You know how that go,
13 because, you know, who are you. But maybe we can have
14 some other discussion in reference to this whole issue
15 about wearing a mask, you know. You come up a scene
16 -- I think people have issues, you know, with it,
17 so ...

18 COMMANDER THOMAS: Right. I can speak to
19 what goes on now. There is a inspection at a party
20 store. That inspection would be -- have a supervisor
21 that does not wear a mask will go in and start the
22 interaction. Now, if they had to call in some
23 undercover officers or some officer that usually work
24 undercover, then maybe they would have their faces
25 covered when they came in, but that's after the

1 initial interaction. There's no one going in masked
2 up saying they're the police and start any interaction
3 with the citizen.

4 COMMISSIONER CRAWFORD: Also, through the
5 Chair, especially today with the social media and
6 party stores and gas stations having videos. If an
7 officer's identity can be put on the internet on
8 Facebook from a party store or a gas station for
9 thousands of individuals to see, whereas they're
10 trying to conduct other undercover operations in the
11 future, I think it would be counterproductive.

12 VICE CHAIRPERSON BELL: Well, this is
13 interesting. I think that perhaps we need to have a
14 little bit more discussion in the future in reference
15 to this matter of masked, unmasked, if you expose your
16 personnel, because it's a concern with the bad guys
17 impersonating police, and now police coming in with a
18 mask, too. So it's a issue that perhaps we need to
19 have a little bit more in-depth discussion.

20 COMMANDER THOMAS: Right. And that's the
21 primary reason that the initial confrontation or
22 initial investigation is conducted by a uniformed
23 officer in a marked scout car, so there's no --

24 COMMISSIONER CRAWFORD: Discrepancy.

25 COMMANDER THOMAS: -- discrepancy at that

1 point.

2 COMMISSIONER CRAWFORD: This is not the
3 Lone Ranger.

4 COMMANDER THOMAS: Right.

5 VICE CHAIRPERSON BELL: I appreciate the
6 enlightenment.

7 Yes, sir.

8 Commissioner Mallett, are you satisfied?

9 COMMISSIONER MALLETT: Yeah, I am. I'm
10 sure this is going to come up again.

11 VICE CHAIRPERSON BELL: Yes.

12 COMMISSIONER MALLETT: So I'm going to make
13 sure I'm paying attention.

14 VICE CHAIRPERSON BELL: Okay. Yes, sir.

15 MR. RHOADES: My name is Peter Rhoades.
16 I've been before the board before, and I want to thank
17 you for the attention you've given me in the past. In
18 fact, back in August last month I actually came before
19 here and gave the board and the police department a
20 compliment. Now I'm going to give them a concern.

21 I was at Detroit City Council. And after I
22 talked to the council people a citizen came up and he
23 had a problem. He has a hot item. These are T-shirts
24 that say "Straight Outta Detroit." And he makes them,
25 he delivers them to different nightclubs and stores

1 downtown, they sell them out of the stores, and it's
2 -- everybody's happy. He makes so many of them, he
3 has a cart. He puts the T-shirts on the carts and
4 wheels them down the sidewalk and makes his
5 deliveries.

6 He's stopped by a police officer for
7 vending without a proper vendor's license. That's not
8 vending. That's not against the law at all. You're
9 allowed to put your T-shirts on a cart and wheel them
10 down the sidewalk to make your deliveries at different
11 nightclubs and storefronts.

12 And yet he had to go to the fourth floor of
13 the City-County Building where he was told you don't
14 need a license to make those deliveries. He goes up
15 to City Council to try to get a verification that you
16 don't need it and he -- you know, he's having a hard
17 time, because the police officer threatened to give
18 him a ticket, which would be \$500, 90 days in jail,
19 and confiscate his entire inventory.

20 Guys, I love everybody, but I've been here
21 for the last two years talking about business
22 licenses, vendors, selling your surplus tickets
23 outside of Comerica Park and all that stuff. Could we
24 please have some retraining of the officers selling
25 downtown, maybe at roll call, as to what the proper

1 criteria is so they can be better trained at what is a
2 vendor's violation and what is not?

3 Now, he's not my client. I don't know the
4 guy, I'm just telling you what I'm hearing, but there
5 seems to be a continuing problem, especially downtown.

6 So I gave you a compliment last month. I'm
7 giving you a concern. It's not even my concern, but I
8 -- it really does need to be addressed.

9 Thank you.

10 VICE CHAIRPERSON BELL: Thank you, sir.

11 COMMISSIONER DEWAELESCHE: Thank you.

12 VICE CHAIRPERSON BELL: Any other --

13 DEPUTY CHIEF LEVALLEY: I'll just comment
14 on that. I agree and we can issue administrative
15 messages in roll call trainings for all of our people
16 downtown. Provided everything that he relayed to you
17 is correct, then I would agree, he can deliver his
18 product to the stores. If the officer saw a street
19 sale, then that's vending.

20 So assuming what he told you is correct
21 then, yes, he should not be ticketed. So we'll put
22 that administrative message out.

23 VICE CHAIRPERSON BELL: Thank you, sir.

24 Good response. Thank you, sir.

25 MS. SMITH: Good afternoon. Bernice Smith,

1 political activist.

2 Chief, and to the commission, two things I
3 would like to ask. As far as -- I was talking with
4 Officer Benton (sic) back there, and he gave me some
5 information.

6 In regards to the cars that are being
7 abandoned, I believe he stated that it was a hundred
8 and what, fifty -- fifty-nine; is that correct, sir?

9 MR. HOLLINS: 5,900.

10 MS. SMITH: To be auctioned. My suggestion
11 to the lieutenant was to -- could we publicize it. He
12 said it's in the legal paper. But my suggestion is we
13 all know we have a TV with the Mayor when he makes his
14 announcements on whenever he has his meetings, and
15 it's underlined going straight across. And I think
16 that would be preferable for the public to know when
17 you're going to have a auction, because everybody
18 don't know nothing about reading the Legal News. So
19 that would be one entity that we can use in regards to
20 publicizing the cars that are up for auction.

21 Also, in reference to where my daughter
22 lives, there's squatters two blocks from where she
23 reside. We have a neighborhood officer that I know,
24 and I'm not going to call his name because he has been
25 in fear of his household, because there were drug

1 people across the street from him. He finally got rid
2 of them, but they threatened him in the meantime.
3 But, as far as these squatters are concerned, nice
4 house, and he was telling me about it. And I said,
5 well, can't you get them out. And he said, well, they
6 know that he knows, and he doesn't want them to do
7 anything to his residence.

8 And this seemingly be something that's
9 going on with the neighborhood officers. He's the
10 second one that I spoke to in regard to trying to
11 clean up the neighborhood. Once they know that the
12 officer's residence is nearby, they're in danger. In
13 other words, I feel that they're going to do something
14 to their homes, throw rocks in the windows or whatever
15 the case may be.

16 So I'm wondering can we solve some of these
17 problems in regards to that?

18 I did find out later that the Land Bank
19 they have a team of people that go around, and all you
20 have to do is call them and they will take care of the
21 situation if the neighborhood police cannot, you know,
22 handle it.

23 So I'm going to give that information --
24 I've got the number downstairs in my car. I forgot to
25 bring it up. But I want to give it to the Land Bank

1 so they can take care of it and it would not be
2 jeopardizing your neighborhood officer's property or
3 anything in that regard.

4 And I thank you very much for the
5 salutation that we got from the meeting. It was a
6 very interesting meeting. I'm glad that you had the
7 people there that were able to speak to the fact that,
8 yes, it should be -- the commission should come back
9 into the existence again.

10 And I have something personal that I would
11 like to speak with Mr. Mallet about after the meeting
12 in regards to the hospital situation; all right?

13 COMMISSIONER MALLETT: Yes, ma'am.

14 MS. SMITH: You'll stay and talk with me?

15 COMMISSIONER MALLETT: I will.

16 MS. SMITH: Thank you.

17 VICE CHAIRPERSON BELL: That's another hat;
18 right?

19 MS. SMITH: A field.

20 COMMISSIONER MALLETT: Nothing I can do
21 about that.

22 VICE CHAIRPERSON BELL: Yes, sir.

23 COMMANDER BETTISON: Commander Bettison
24 from the Chief's Office Neighborhood Liaison, the
25 Chief's Neighborhood Liaison.

1 The NPOs, the neighborhood police officers,
2 they report to me and also the captains of the
3 precincts that they're assigned to. This is the first
4 time that I'm hearing a safety concern for any of our
5 neighborhood police officers. So I will ensure that
6 I'll reach out to them to check and find more out
7 about that. But from some of the neighborhood police
8 officers that do live in the city, I'm -- like I'm
9 saying, I haven't heard that concern right there.

10 The other piece is, as far as the squatter,
11 I'll get with Ms. Bernice. And Sergeant Perkins from
12 my office will definitely address that squatter issue
13 right there. So I can update the board next week as
14 so as far as, you know, what's going on, what the
15 findings are, okay.

16 VICE CHAIRPERSON BELL: Thank you, sir.

17 COMMISSIONER DEWAELSCHÉ: Thank you all.

18 VICE CHAIRPERSON BELL: Thank you. Any
19 others?

20 If there's no other community -- I'd like
21 to revisit the issue that Commissioner White raised.
22 Since we have to give notice, two weeks, if this board
23 quorum now feels as though there's a conflict of the
24 charter, we can stipulate that we are going to meet on
25 October the 8th. If that is the general consensus of

1 this body here, then if one that voted for that motion
2 would, you know, address that, then we can dispose of
3 it and give notice now. I think that would be
4 appropriate versus putting off another week. Then you
5 have to have only one week notice that we are meeting.
6 So the Chair would entertain that.

7 You follow me?

8 SECRETARY ANTHONY: Mr. Chair, can I
9 clarify something for a moment?

10 VICE CHAIRPERSON BELL: Yes, okay.

11 SECRETARY ANTHONY: The Open Meetings Act
12 requires notice. It doesn't require a week notice,
13 but it does require like 48-hour notice.

14 VICE CHAIRPERSON BELL: Okay.

15 SECRETARY ANTHONY: But the sooner that we
16 get it out --

17 VICE CHAIRPERSON BELL: That's what I'd
18 like to --

19 SECRETARY ANTHONY: -- that there's going
20 to be a change of location, that's -- I think that's
21 the critical piece that we need to get out.

22 VICE CHAIRPERSON BELL: Right. We're going
23 to be meeting here versus meeting in the community.
24 So I think we can dispose of -- I think if there's a
25 conflict with the charter then let's say entertain a

1 motion to revisit that and that we will have the
2 meeting on October the 8th at three o'clock.

3 COMMISSIONER DEWAELSCHE: So moved.

4 COMMISSIONER MOORE: Support.

5 VICE CHAIRPERSON BELL: It's been properly
6 moved and supported.

7 Yes, sir.

8 COMMISSIONER MALLETT: Chairman, can I --

9 VICE CHAIRPERSON BELL: Yes, sir.

10 COMMISSIONER MALLETT: What is it -- yeah.
11 What are we doing, sir, so I can --

12 VICE CHAIRPERSON BELL: We revisiting the
13 motion that we drafted a week ago based on
14 Commissioner White's concern that we should meet -- we
15 shall meet. So we cancelled that meeting for training
16 day. And a person who voted for that meeting can
17 revisit that motion at this time, then we can dispose
18 of that and give notice and the location at this time.

19 It seems to be that Commissioner Crawford's
20 in favor, Commissioner Dewaelsche is in favor, and I'm
21 not opposed to us meeting. Whoever's going to be
22 here, then so be it, whether it be one commissioner,
23 two commissioners, we have one or two staff person, we
24 can go ahead. You know, a meeting at three o'clock is
25 not -- is manageable. There's no problem.

1 So does that give you clarity on that, sir?

2 COMMISSIONER MALLETT: Yes, sir, it does.

3 VICE CHAIRPERSON BELL: Okay. I think you
4 have deposed the motion, so you voted for it.

5 COMMISSIONER MOORE: Right.

6 COMMISSIONER DEWAELSCHÉ: So we can reverse
7 it?

8 VICE CHAIRPERSON BELL: Yes, reverse it.

9 Do we understand the motion?

10 SECRETARY ANTHONY: Yes, sir.

11 VICE CHAIRPERSON BELL: Okay. No need to
12 reinstate it. Discussion?

13 I'm sorry. Those in favor, aye?

14 COMMISSIONERS: Aye.

15 VICE CHAIRPERSON BELL: Those opposed?

16 COMMISSIONER MALLETT: Conrad Mallett. I'm
17 opposed. It's -- the commission is going on a
18 convention, and so -- I mean, I would think that the
19 tax paying public would be much more concerned about
20 substance than forum. And to -- I'm always concerned,
21 Mr. Chairman, quite frankly, that we have so many DPD
22 leadership here at these meetings --

23 VICE CHAIRPERSON BELL: Yes, sir.

24 COMMISSIONER MALLETT: -- when the crime
25 situation and the quality of life situation is what it

1 is. I would much prefer that they would be doing what
2 they're supposed to be doing and less of them here
3 while we're doing whatever it is -- carrying out our
4 charter-given responsibilities.

5 So I'm opposed, Mr. Chairman. I would not
6 want to waste DPD's time or the public's time. The
7 vast majority of my colleagues are going to be
8 someplace else. It seems to me to be inappropriate
9 and disrespectful to the public to create a situation
10 that we all know doesn't exist. There will not be a
11 meeting. There will not be a quorum.

12 VICE CHAIRPERSON BELL: Right.

13 COMMISSIONER MALLETT: There will be no
14 business handled.

15 VICE CHAIRPERSON BELL: Yes.

16 COMMISSIONER MALLETT: And so I'm just
17 simply -- now, I will be here, Mr. Chairman, and so I
18 suppose it is that those of us who are not going on
19 the trip I guess we can come so that we can adjourn.

20 VICE CHAIRPERSON BELL: Yes.

21 COMMISSIONER CRAWFORD: Five minutes.

22 COMMISSIONER MALLETT: Mr. Chairman, I'm
23 going to say this for the record, George. Make sure
24 you write this down. There was a period in my life
25 where I charged and got paid \$500 an hour. Do you

1 hear me, Mr. Chairman?

2 VICE CHAIRPERSON BELL: Yes, sir.

3 COMMISSIONER MALLETT: Five hundred dollars
4 an hour. I got charged and got paid \$500 an hour. I
5 just don't want to come down here and waste the
6 public's time for a meeting when I'm going to walk in,
7 notice that there's not a quorum and adjourn the
8 meeting. I cannot imagine that that's a good use of
9 the public's resources, and it's certainly not a good
10 use of the public's time.

11 VICE CHAIRPERSON BELL: And, sir, I agree
12 with you wholeheartedly. I've been raising that issue
13 since I've been on this board that, you know, it's not
14 to say that we're going to miss anything, you know,
15 business wise for -- like you say, the proper would be
16 calling the meeting to order and adjourn because you
17 don't have a quorum. But just to solicit a concern,
18 it's not like this meeting I will attend it at three
19 o'clock. My concern with the meeting at 6:30 is
20 definite. But, as you state, you know, in some
21 instance we have more DPD personnel than we have
22 civilians. And any issue -- so it is a waste of time.

23 And I think in the charter it shall meet,
24 but the five years that you serve and others serve
25 what would be the point? I mean, it's not like you're

1 going to really violate some law that is really going
2 to be held accountable to that standard. We meet more
3 than any other body in this city as far as weekly
4 meetings, so --

5 But I'm just trying to have harmony on this
6 board. I was hoping that the issue was settled, but
7 when I hear other commissioners raise that concern
8 then to put it off for another week is just not -- it
9 don't make sense --

10 COMMISSIONER MALLET: -- in the past, but
11 I'm on the record as voting no.

12 COMMISSIONER DEWAELESCHE: And, if I could
13 just make a comment, when I was on the commission
14 before -- well, I mean I'm sure we do it even now.
15 Even at Christmas and at Thanksgiving we have a
16 meeting, you know. Thanksgiving Thursday is
17 Thanksgiving. We still have a meeting that week.

18 VICE CHAIRPERSON BELL: By charter now we
19 don't.

20 SECRETARY ANTHONY: That's changed.

21 COMMISSIONER DEWAELESCHE: We don't? Okay.
22 So that's changed? Well, we used to have a meeting
23 Monday or Tuesday of that week.

24 VICE CHAIRPERSON BELL: Yeah, Thanksgiving
25 and Christmas and New Year's. That has changed,

1 but ...

2 COMMISSIONER DEWAEELSCHÉ: Okay.

3 VICE CHAIRPERSON BELL: So the motion's on
4 the floor. Those in --

5 COMMISSIONER DEWAEELSCHÉ: It passed.

6 COMMISSIONER MALLETT: It passed.

7 VICE CHAIRPERSON BELL: I didn't ask for
8 the nays. Okay. Then you say said nay. Okay.
9 Motion passed. So it's settled then. We want to give
10 due notice in two weeks versus waiting another week,
11 and now the location is going to be here at three
12 o'clock.

13 SECRETARY ANTHONY: Very well.

14 VICE CHAIRPERSON BELL: Commissioner
15 Mallett will be here.

16 Okay. If there's no other business before
17 this --

18 COMMISSIONER MALLETT: Do I have to be on
19 time? Can I come five minutes late like usual?

20 COMMISSIONER DEWAEELSCHÉ: You can chair the
21 meeting.

22 COMMISSIONER MALLETT: We're going to
23 pretend it's a real meeting so I'm going to be late.

24 VICE CHAIRPERSON BELL: The Chair would
25 entertain a motion to adjourn.
